Welcome Night – Tuesday 10th February

Years R-6: 5:30 – 6:30 p.m.       Years 7 to 9: 6:30 – 7:30 p.m.
Years 10 & 11: 7 p.m.

Issue 2: Wednesday 4th February 2009, Term 1, Week 2

www.moontaas.sa.edu.au
I have personally had a busy but great week one, meeting many members of the school community. The year has started off smoothly with, excellent attendance, students looking splendid in their school uniforms, and all classes up and running. I thank parents for their support in ensuring students are at school on time and in uniform.

**School Welcome Night**
I encourage all parents to attend our Welcome Night, next Tuesday as an opportunity to meet your child’s teachers, and other members of staff including myself. Your child will able to show you around their class and the school and introduce you to their teacher/s. Remember we will be providing a BBQ on the night.

**HOT HOT HOT**
As you would be aware the extreme weather conditions the state has been experiencing has been predicted to continue throughout the coming week. I would like to take this opportunity to thank all staff for their outstanding effort in continuing an education and care program in these very difficult and exceptional circumstances.

**Child Safety**
While these extreme conditions continue we are making sure outdoor activities are modified or curtailed to take into account the extremity of the weather. Also we ensure that all students have plenty of cool water to drink, and stay in the shade. We are constantly monitoring the swimming program and will modify should it be necessary.

**Early Dismissals**
Whilst it was reported in the media on the weekend that schools will be closing at 12:30 pm our policy does not include this option. As we have air-conditioning at the school, it makes more sense that students remain at school and in class. If students are feeling the effects, due to little sleep or other activities then parents of course have the right to keep them home or pick them up early. Please contact the school if this should be the case.

**Thongs**
The weather and swimming has seen a number of students arriving at school in thongs. Please note that the wearing of thongs at school is not permitted at any time. Occupational Health & Safety guidelines requires the wearing of appropriate footwear. Students who are doing swimming need to wear appropriate footwear to school and can then change into swimming gear before getting onto the bus.

**Compulsory Age legislation**
From the start of 2009 this new legislation requires all young people between the ages of 16 and 17 to participate in full time approved learning program, which is education or training delivered through a school, registered training organisation, an apprenticeship or traineeship, or a combination of these.
The Compulsory Education Age legislation does not change the school leaving age which remains at 16. The new legislation is in response to research that shows young people who leave school early without qualifications are often unemployed by their 20’s and then have difficulty finding work. Young people who remain in learning for longer have a significantly better chance of having a better quality of life and overall wellbeing, as well as securing a rewarding job with good pay and prospects.

**Staffing Changes**
There is nothing like stability, but unfortunately we have already had to make some staffing changes for the next 4 weeks. Assistant Principal Bruce Schmidt has had to take some time off, Ron Watson will be Acting Assistant Principal for this time, Chelsea Balnaves will take over Ron’s year 6 class and we have employed Mrs Shirley Clark to replace Chelsea for the Thursday & Friday she was working in Judy van Galen’s class.
Changes of teachers is never an ideal situation in any school and we do whatever we can to minimise disruptions, however teachers are away for a variety of reasons for varying periods of time and changes have to be made to accommodate this.

Kind regards

This week’s picture of Mr Angus was drawn by Tyler Raymond, Miss Ryan’s class.
Thank you Pam and Fred

At the end of 2008, 2 of our long term LAP volunteers decided to call it a day. Pam & Fred Reynolds have given of their time continually over many years. They have shared their time with a long list of students throughout the Early Years of schooling. The staff with whom they have worked have valued their reliability, open attitude to all comers and the difference they have made to not only the learning but the attitude of many. So many have looked out each Tuesday for Mr Fred and Pam and remember their help well into their adult life.

On Behalf of the whole School Community
THANKS! We will miss you.

Laura Camporeale (LAP Coordinator)

School to Work Activities 2009

A partnership between The Yorke Local Community Partnership, The Barossa/Yorke Trade School and Futures Connect that aims to streamline Career Development activities across The Yorke Peninsula.

New Year New Directions School to Work Committee
This year the Local Community Partnership, Trade school and Futures connect strategy have joined forces to deliver what we believe will be a more streamlined approach to VET, Career and Transition services and other school to work activities.

With so many of the State and Federal initiatives linking we believe that we have reached a point that we need to take a more strategic approach to School to Work activities across the Yorke Peninsula.

The School to Work Committee is currently in the process of developing a plan for 2009 that has come from feedback we have received from Career Advisers, VET Coordinators, Teachers, Principals and Industry representatives.

Proposed Goals and Activities include:

- Region VET
- Adopt a School
- Eye on the Future Workshops
- School to Work Hub meetings (previously VET coordinators meetings)
- Professional Development for Careers advisers twilight sessions
- Mentoring Pilots
- Parents as Careers Partners Workshops
- School Leaver Program
- Aboriginal Pathways
- Developing quality principals for the improved deliver of VET
- Improving the quality and relevance of work experiences for students
- Assisting teachers with tools that will assist them to deliver the PLP
- Career Works training for teachers and student sessions.

New Dress Code

Attached is the new dress code which was passed by governing council late last year after consultation with all members of the Moonta School community. Please note that full adherence to the new dress code will be required from term 3 this year.

MOONTA AREA SCHOOL DRESS CODE
Moonta Area School Governing Council has determined the following dress code for our school. This policy is in line with the DECS Administrative Guidelines, 10 April 1997.

Exemption
The principal may exempt students from the dress code (upon written request from parents) on the following grounds:

- religious
- cultural or ethnic
- new students (time to purchase, wear previous uniform)
- itinerant students
- financial hardship
- medical or family sickness
- any other grounds determined by the Governing Council

Non Compliance with the dress code
1. Uniform Stamp from a school leader is put in student’s diary/communication book. It is recorded formally in a book and a conversation is had with the student regarding the non wearing of uniform
2. Phone call is made to parent/care-giver
3. Formal letter is sent home
4. Student is given the option to go home or get changed at school into a uniform given to them for the day.

Costs of the dress code
We aim to keep the costs of the dress code as low as possible. This is achieved by:

- expecting students to wear colour rather than set brands.
- secondhand clothing service.

Availability of approved clothing

- Moonta Area School uniforms are available from YP Uniforms.
- Other approved items of clothing are available at local stores – Marshall’s Menswear, Matthew’s Emporium (Moonta); Target, Robertson’s, Sports Power (Kadina)
- Bucket hats are available to purchase from the front office.

Expectations of all students

Pants, Shorts
Plain navy track pants (with no stripes)
Plain navy shorts – no jeans to be worn

Skirts, Dresses
Winter weight blue pleated skirt
Summer school uniform
Plain navy skirt

Shirts
Plain white cotton shirt to be worn only with school winter skirt
Plain navy polo shirt
Navy skivvy
Shirts or jumpers designed for other organisations e.g. sporting bodies are not to be worn unless they fit within the guidelines
- Special Interest Groups may be able to identify themselves by adding names and design only to existing navy blue polo shirts.
- Year 12’s only may be permitted to have own top as long as it keeps within the school colours.

Jumpers, Jackets
Plain navy woollen jumper or windcheater
School windcheater or school jacket
Plain navy jacket
Any jacket may be worn to and from school and at break times during inclement weather

Socks
Navy or white socks
Navy tights

Shoes
Practical, sensible shoes worn with socks
Sandals with or without socks
No backless shoes to be worn

Hats
As reflected in the sun smart policy
No beanies or caps to be worn

Chicken Pox
Some cases of Chicken Pox have occurred in students from the school.
Please notify the school if your child contracts this disease.

Thanks Di Daulby.
You will notice a change in MAS Media for 2009.

We have put out to all students R-12 to draw a picture of Dean, to go with this ‘From the Principal’s desk’ report on page 2. Students are able to draw Dean however they like, ie a super hero, fireman, alien, etc.

An acceptable picture will be selected each week and published with his report, showing the artist’s name and class.
