Upcoming Events:

Friday 29th October
**Student Free Day**

Monday 1st November
Year 3-4 camp

SAPSASA Cricket/Tennis
5 p.m. DMC

**Wednesday 3rd November**

7.30 p.m. Governing Council

**Thursday 4th November**
Choir-Nursing Home

**Friday 5th November**
Splash Water Theatre

*Please view the complete Calendar on the back page.*

**Principal’s Desk**

**We’re nearly in**

The school staff and students are getting very excited about the prospect of moving into our new classrooms and to be able to use our brand new play courts. At this stage the handover is not confirmed but we hope to be in our new rooms by the end of next week. There will of course be some unrest during this time due to time spent on moving, setting up new classes, re rostersing yard duty areas, organising other class moves into the vacated buildings.

**Moonta students Impress**

I have had two separate people from outside of the school; congratulate the school on the behaviour of our students. One of these was a gentleman who travels all over Australia presenting science lessons to students. He could not have been more impressed with our students’ behaviour, willingness to learn and preparedness to get involved. It is always pleasing to receive this feedback about our students and we are very proud of their efforts to continue to improve themselves in all areas of schooling. Well done to all.
World Teachers Day
Every day in hundreds of classrooms across the State, teachers share their knowledge with more than 170,000 school students. When knowledge is shared, skills are gained and students’ lives can be changed.

World Teachers Day is a day set aside every year for children, students and old scholars to say thank you to their teachers. It will be celebrated on 29th October in South Australia. I personally want to thank Moonta Area School teachers for their dedication and commitment to maintaining the highest standards in public education.

Student Free Day- Friday 29th October
A reminder that our second studentl free day for the year will be on this Friday the 29th October. On this day staff will be completing training in a variety of areas. Whilst the secondary part of the school will be working on aspects of the new SACE all our R-6 staff will be receiving training on the new electronic whiteboards that have been installed in all primary classrooms.

End of year exams
Yr 12 exams start next week across the state, and we hope all our students have done the necessary preparation to give themselves the best chance of success. Our exams are held at the Moonta Golf Club under the supervision of our senior school coordinator Ms. Meredith Westbrook. Good luck to all students with their exams. I have enclosed a little information about how parents can help with revision in this edition of MAS Media.

Class Placements for 2011
Don't forget to let us know, in writing, if your child will not be attending Moonta Area School next year. Also, if you have family or friends moving to the district and who definitely want to enrol their children here, please let us know so they can be considered in the class placements.

We'd like as much information about 2011 numbers as possible so we can structure the classes according to student needs.
And a reminder to provide any information that you would like considered in relation to your child/ren’s placement, for consideration. It needs to be a genuine request relating to your child/ren’s academic, social, physical or emotional needs. However, sometimes there are instances where it has not been possible to meet these requests for a whole host of reasons. Please put your request in writing, or alternatively, make a time soon to see either Bruce, or Di to discuss your child’s needs. Thank you.

WHOOPING COUGH
We have recently had a number of students who have been diagnosed with Whooping Cough (Pertussis). The illness often begins with cold-like symptoms of runny nose, sore watery red eyes, low-grade fever and general unwellness, although these symptoms are not present in all people. After three to seven days a dry cough develops. The cough is usually present for many weeks and may last for months. It is highly infectious. Without treatment, a person is infectious for the first three weeks of coughing. With appropriate antibiotic therapy, the person is no longer infectious to others five days after starting antibiotics.

Any student who is diagnosed with whooping cough is required to stay away from school until five days after starting antibiotics.

ATTENDANCE - IT’S NOT OK TO BE AWAY
Open and transparent communication lines between parents, students and teachers are the backbone to laying a solid foundation for effective learning to be built on.

We are fortunate at our school to have such a relationship within the school community. On a daily basis both parents and students are seeking suggestions on things such as:

- What can we do to improve my son/daughter's understanding? Can we organise more help for them out of class time to build their understanding?
- Do we need to find a tutor for them?
- Can the school work with us to sort out their peer group hassles?

These frequent requests reflect the genuine and sincere ambitions that parents have for their children. It would be fair to say that all parents want a better life for their children than they have had. Yet while all these positives are happening, there is one glaring inconsistency. That is, many of the very same people who are striving to find ways to build their children’s understanding condone absences for pursuits such as shopping, helping at home, babysitting, etc.

Let's get it right we not only have to do the right thing, we have to do the thing right. So when it comes to our students let’s all adopt one of Stephen Covey’s famous adages:

“..."The main thing, is to make the main thing, the main thing” - your son/daughter’s education and future.
Should you require assistance in saying NO to your son/daughter with regard to any matter, including unacceptable reasons for absence, please do not hesitate to contact the school. Let’s work together to make a difference to your son/daughter’s future. Be on Time, Be at School, That’s the Rule!

**School Crossing Training**

On the 2nd of November students from years 4 to 6 (10 year olds and up) had School Crossing Training. Students need this training to be a Crossing Monitor.

**Good Food & Wine Show**

Moonta Area School student, Troy Goodfellow, in Year 12, attended the Good Food and Wine Show during the school holidays, where he was lucky to meet Marion Grasby, Gary and George all from Masterchef. Troy is interested in the hospitality industry and likes working with food.

**Technology Update**

Our school had a major update of ICT infrastructure during the last week of Term 3. This was supplied by Commonwealth Government funding as part of the Digital Education Revolution (DER). We now have very robust servers with wireless capability. This update was part of the push to provide individual access for students from Yrs 9 to 12, so not all of the school has wireless access yet.

Prior to this we had installed our own wireless access points, providing use in a couple of Early Years classrooms and the Middle School. During the last couple of weeks, Mr Gordon’s Year 10 classes have been testing the new wireless network. There have been a few bugs but we think we are gradually ironing them out.

Students and staff should soon be able to access the network from many areas within the school and we have purchased netbooks and laptops for this purpose. The main advantage is to be able to make computers more portable. We can access work and save it, use the Internet and print without needing to be connected to the network with a cable.

We have just installed Interactive Whiteboards (IWBs) in all R to 6 classrooms, the language centre and a middle school shared area. Primary staff will spend this Friday learning to use the IWBs and integrating them into learning activities.

Tricia Stringer ICT Coordinator

**Competition Results**

**AUSTRALIAN MATHEMATICS & SPELLING COMPETITIONS**

Earlier this year, students competed in both the Australian Mathematics and Spelling Competitions. Some excellent results were achieved and congratulations go to those students. Certificates will be presented at the next school assembly, Wednesday 10th November (week 5).

**Mathematics**

- **Distinction:** Josh Ritter
- **Credit:** Josh Moss

**Spelling**

- **Distinction:** Josh Moss

Moonta Area School student, Troy Goodfellow, in Year 12, attended the Good Food and Wine Show during the school holidays, where he was lucky to meet Marion Grasby, Gary and George all from Masterchef. Troy is interested in the hospitality industry and likes working with food.
As part of the 150th celebrations of the discovery of copper on the Yorke Peninsula the school has put together a ‘Back to School’ event at the school over the weekend of Saturday 20th and Sunday 21st November.

Saturday evening 20th November
If you attended Moonta District High School and were in the years that commenced secondary school in 1969 to 1975, or were at Moonta Primary School, in the years that started from 1962 to 1968, please join us at the football club, Milne Terrace, Moonta on Sat 20th November at 7.30 pm. To assist us with catering numbers, please let us know if you are attending the Saturday night event, either by responding on the Event’s Face book page (search Moonta school and you’ll see links from it’s wall) or emailing one of the following as soon as possible:

Jill Behrndt  jill_davy2@hotmail.com
Julianne Chapman  jbadenoch@bigpond.com
Graeme Browning  gpbrowning@optusnet.com.au
Rebecca Roach Irish21@bigpond.com

An event for older students is also planned at the Royal Hotel.

Sunday 21st November
A barbeque has organised and will be held at the school, commencing at 11.30pm. Menu includes - marinated steak, marinated chicken, pork spare ribs, sausages, hamburgers, choice of six salads, bread & butter, fresh fruit salad. BYO refreshments. The cost is $18. To assist with catering numbers please contact Rosemary (Rosie) Prout on 08 8825 2593 or email rossiep@bigpond.com
An open day at the school including tours will be conducted from 1.00pm – 3.15pm that will go for around 45 minutes escorted by ‘old’ and ex staff. Memorabilia, school photos, and school registers will be on display. If anyone has any ‘interesting’ items that they would like to lend it would be much appreciated. For further information contact Dave Steele at the library.
From 1.00pm – 4.00pm a ‘Living Books’ event will be held. The ‘books’ this year include, Doug Warmington, Lilian James, Mary Martin, Trevor Ellis and Travis Skipworth. You can ‘borrow’ these books through the booking sheet in the library.
More detail on our ‘books’ will be available in the next edition.

Further details about the reunion will be posted on our school website:
http://www.moontas.sa.edu.au/
The students from Reception to year 7 enjoyed a visit from Education workers at CSIRO during week 2 of this term.

Each Primary class participated in the outstanding ‘Lab on Legs’ program. This consisted of a 90 minute workshop where the students were involved in activities that required them to make predictions, carefully perform tests and observe and accurately measure results. The R-2 classes explored movement in animals and the year 3-7 classes explored energy systems.

From my own observations and feedback, the students were highly motivated and attentive and worked productively on their tasks. Most would have learnt many new and important concepts and skills, as I have. If they haven’t come home talking about their experiences please ask them some questions. For example, ‘What did you learn?’ and ‘What would you like to explore further?’

Each class also attended an informative and exciting science show that addressed solids, liquids and gases, with a focus on gases. The gym was alive with suspense and energy as Frank, the presenter, captured their attention, involved them in thinking and demonstrated some of the peculiar and amazing properties of gases. The highlight of the show for most was the colourful and noisy explosions that lit up the stage area. The show served to engage the students and the content was most informative and encouraged the students to think, predict and question. This experience was a great springboard for teachers who can follow up on some of the concepts in science or use it to stimulate literacy and math activities.

As the program was of such a high quality, I will be inviting them to return next year to present other topics.

This experience has come at an ideal time as we approach year 2011 when we will be implementing the ‘Primary Connections’ science program and giving science a higher curriculum profile.

A most pleasing aspect to come from the week was the feedback received from the presenters who were most impressed with our student’s attitude and behaviour. Frank the presenter commented, ‘I don’t know what you are doing here at this school but keep doing it.” This can be attributed to the administration, the class teachers and the parental support.

We look forward to pursuing science with increasing enthusiasm and rigour.

Kerry Crosby
Frank uses liquid nitrogen to demonstrate properties of gases. Cameron and Kirra are willing

Frank and William are experimenting with air. The balloon is filled with helium or hydrogen gas. Helium will not explode. Obviously hydrogen! Great camera work Mrs Hettner!

Fiona Ryan assists Taylah on her classifying task. A J, Cameron and Tyler use their microscopes to examine creatures in detail. Amber is recording her observations.

Kayla, Gemma, Emma, Hollie, Chelsea, Chloe, Kyle and Tyson make observations and predictions.
Primary Schools 2010 Concert BAND Workshop

On Wednesday 20th and Thursday 21st October I participated in the Adelaide Concert Band Workshop for grade 6 and 7 students across the state. I went to Ridley Hall in the Adelaide show grounds where I met with about 160 other kids that played all sorts of different instruments, some that I’d never seen before. There were tubas, french horns and even a euphonium. I played the Alto Saxophone. Different instruments were grouped together and we were set up like a real orchestra. I met another year 6 girl called Isabella who also plays saxophone. We played lots of different songs such as The Tempest, A Beatles medley and my favourite… Michael Jackson’s Thriller. We also played Pink Panther where an amazing sax player, Andrew Cargo, accompanied us. We practiced both days and I got picked up and went to my uncle's house to stay the night. On Thursday (my birthday!) we rehearsed all the songs we learnt Wednesday. Then my Uncle Ralph took me to do something special for my b-day. In the evening we went back to Ridley Hall for the big concert; I tuned up then went on stage to see a huge audience which mum, dad, Georgia my sister and my uncle and aunty were in. We played for over an hour it sounded fantastic with 165 kids all playing together and it was a great experience! With sore fingers and lips (from blowing away at the sax) we drove home to Moonta. These days were amazing and I learnt heaps I really hope to do this again next year.

Student Voice News

Christmas Appeal
Student Voice Fundraising Sub-committee decided at the beginning of the year to support our local charity, the Salvation Army Christmas Appeal this year. We are collecting non perishable items. We ask people to send along these goods to the class teacher. These will be placed in collection boxes in the Conference Room in the Front Office area. Please help us to bring joy to some families. “Christmas is empty when you have nothing”.

Student Voice Canteen Day
The canteen is running a special food day for the Student Voice committee. This day will be Wednesday 17th (Week 6) and pre-ordered lunches will give the Student Voice 50c. Normal lunch orders are still available that day but we hope everyone will support the Student Voice fundraising as the money will go towards buying sports equipment. Special lunch bags for this day will go home this week. Please return the order with the money by Friday 12th Nov (Week 5).

The lunch bag will have the following information.

**CANTEEN SPECIAL DAY**
50 CENTS GOES TO STUDENT VOICE

RIPPER ROLL (7 inch) Choice of ham, chicken, tuna or egg with lettuce, tomato, cheese, cucumber and carrot - $5.00
1/2 RIPPER ROLL - $2.50
CHEESE BURGER with JUST JUICE - $6.00
SMALL FRUIT SALAD - $1.60
SMALL YOGHURT - $1.60
JUST JUICE - $1.40
BIG M CHOCOLATE/STRAW MILK - $1.60

Music Concert

MOONTA AREA SCHOOL SEMESTER TWO MUSIC CONCERT

When: TUESDAY 23rd NOVEMBER at
Where: GYMNASIUM
Time: 7.00 pm

Come along and support all of our students learning KEYBOARD, WOODWIND, GUITAR AND DRUMS
Items from the CHOIR and staff members as well.

Gold coin donation at the door to support the music fund.

Salvation Army Christmas Appeal
-WANTED-
Toys, Tinned & Packet food (non-perishable) and more
The following proposals will be discussed at the meeting held DATE:

**Proposal One: Aboriginal Mentoring Program**
Proposal: Yr 7-9 Aboriginal Male Students Mentoring
Requirements from home: Recess, lunch, drink, hat
Cost: Money for lunch (if buying)
Date: 12th & 19th November 2010
Proposer: Sonya Rankine

**Proposal Two: Dressing of the Graves**
Proposal: Dressing of the Graves (Channel 7 documentary)
Requirements from home: Costumes
Date: 2nd November 2010
Proposer: Di Daulby

**Proposal Three: Hospitality Excursion**
Proposal: Yr 11 Excursion to Adelaide
Requirements from home: Money for luncheon
Cost: $20.00
Date: 11th November 2010
Proposer: Fiona Anderson

**Proposal Four: Yr 8 Immunisations**
Proposal: Yr 8 Immunisations
Date: 4th November 2010
Proposer: Heather Skipworth

**Proposal Five: Yr 6 Graduation Dinner**
Proposal: Yr 6 Graduation Dinner
Requirements from home: Catering
Date: 7th December 2010
Proposer: Richard Hall & Chelsea Honner

**Proposal Six: Singapore Cricket**
Proposal: Singapore Cricket
Requirements from home: Cricket Uniform
Billet families / provide meals
Date: 19th November 2010
Proposer: Daniel Richardson

**Proposal Seven: RE change of date**
Proposal: Change of date from 3/12/10 to 26/11/10
Proposer: Di Daulby

**Proposal Eight: R-6 Class Parties**
Proposal: R-6 Class Parties
Requirements from home: Food or money, depending on class
Date: 9th December 2010 (Week 9)
Proposer: Di Daulby

**Proposal Nine: Youth Development Sailing**
Proposal: Youth Development Sailing
Requirements from home: Appropriate Clothing
Date: Thursday 8.30 – 12.30
Proposer: Neil Hackett

The following proposals were approved at the meeting held DATE: 18th October 2010

1. **Year 8 Port Vincent Camp**
Proposal: Student participate in 4-day Aquatics camp, students learn a variety of skills including snorkelling, kayaking, sailing, surfing etc.
Volunteer Roster – Weeks 4 & 5:

Week 4

Monday 1st Nov: Di Arnold, Lesley Scott, Pam Clarke. 9-11.30 Di Arnold, Leanne. 11.30 Lesley Scott
Tuesday 2nd Nov: 9-1 Chris Haynes, 9-11.15 Nicola
Wednesday 3rd Nov: Barb Hartley, 9-1.15 Glenise Pilgrim
Thursday 4th Nov: Pam Clarke, 9-1.15 Chris Haynes
Friday 5th Nov: Pam Clarke, 9-1.15 Glenise Pilgrim

Week 5

Monday 8th Nov: 9-11.30 Di Arnold, Leanne. 11.30 Lesley Scott
Tuesday 9th Nov: 9-1pm Chris Haynes, 9-11.15 Nicola
Wednesday 10th Nov: Barb Hartley, 9-1.15 Glenise Pilgrim
Thursday 11th Nov: Pam Clarke, 9-1.15 Chris Haynes
Friday 12th Nov: Pam Clarke, 9-1.15 Glenise Pilgrim

We still need a volunteer for Tuesday and Friday mornings, if you are able to spare a couple of hours it would be greatly appreciated. Contact Tracy at the canteen.

Dinosnack’s are currently unavailable, we will let students know via the daily bulletin when they are available again.

We now have Rippa Rolls for $4.00. The Rippa Roll comes with lettuce, cheese, chicken strips in a Parba Roll.

Blue
Light
Disco
Thursday 11th Nov.
Tickets $5
(buy at the door)
Yr 7-12
7:30 - 10pm
$5

On Sale:-
Drinks $1
Choc Bars/chips $1.50

2010 School Magazine

2010 – the year as it happened. Do you want all the inside information? This year’s magazine will be the usual blockbuster filled with photographs, descriptions, news of events, sporting and academic achievements, art work and much more. The 2010 Moonta Area School magazine will be spiral bound and features a colour front cover, which is protected by a plastic sheet. 6 colour pages. A wonderful piece of memorabilia, jam-packed with all the events of the year. To secure your copy, please fill out the tear off section and forward to the Front Office with $15 (Inc GST) per copy. There will be limited spares. If you don’t order and pay, you may miss out on this terrific offer.

Orders are due back to school by Friday 26th November, Week 7

2010 School Magazine Order Form - $15.00 (INC GST)

Name: ________________________________  Class: ________________
If you are a community member, please write down your contact number: __________________________
We will ring you when the magazine is ready for collection.
I would like to order ___ copies of the 2010 School Magazine. Enclosed is $ _______________________
Signed: ____________________________________________
MOONTA AREA SCHOOL

**OSHC FEES CHILD CARE BENEFIT FAMILY ASSISTANCE OFFICE**

Fees $18.00 per child **(less any CCB (Child Care Benefit))** per session 3pm-6pm
Families should visit the FAO website at familyassist.gov.au or call **13 61 50** to see if they are eligible for Child Care Benefit or the Childcare Rebate and what their entitlements are.

Please call Deahnn Whitehead (Director) for further information on 0439 817 475

---

**Diabetes Australia**

*How do you fare....?*

Diabetes is Australia’s fastest growing chronic disease and is the sixth leading cause of death in Australia. There are an estimated 275 Australians who will develop diabetes every day. A reputable study conducted in 2005 showed that 1.7 million Australians have diabetes but that up to half of the cases of type 2 diabetes remain undiagnosed. By 2031, it is estimated that 3.3 million Australians will have type 2 diabetes!

There is no doubt that diabetes is a serious health issue, but it’s not all bad news. Up to 60% of cases of type 2 diabetes can be prevented and we know that good blood glucose control and maintaining a healthy lifestyle can significantly improve the complications associated with diabetes.

For more information talk to your GP, alternately contact Jenny Francis or Jane Ford at Yorke Peninsula Division of General Practice on 08 88214 066.

The Yorke Peninsula Division of General Practice is funded by the Department of Health and Ageing

MILO in2CRICKET Program

MILO in2CRICKET is a fun introduction to the game of cricket for boys and girls in Reception, Year 1 and Year 2. It provides children with an enjoyable and safe environment where they can learn skills and play games.

The program will be run at numerous locations across South Australia, but your local Centres are run by Ardrossan, Arthurton, Balaklava, Kadina, Maitland, Mallala, Moonta and Port Broughton/Mundoora Cricket Club’s.

The cost of the Program is $50 per participant (this may vary slightly between Centres).

Every registered child receives an in2CRICKET Pack including bat, ball, t-shirt, bucket hat, backpack, activity booklet and lots of other goodies.

To find out more details about your nearest Centre and to register for this season log on to www.in2cricket.com.au

Mid North Christain College Aviation Program Open Day

Dreamt of piloting/flying or restoring a plane?
Have an interest in the aviation industry?
The Aviation Program is just about the most exciting school course a student could ever do at school. The students, under expert tuition, are learning to fly, restoring a plane and are able to apply for a Student Pilot Certificate.
The open day is a great opportunity for prospective future Aviation Students and the general public to come and see us in action: see us working on the Aero 45 plane and sit in on a theory lesson.

Date: Thursday 11th November 2010
Time: Anytime between 10am – 2pm
Place: 43 Port Davis Rd, Port Pirie

Simply check in through the front office and then be escorted to see the students at work.
We look forward to seeing you then!
For more details phone the College on 86324240

2010 Moonta Christmas Pageant

Looking for children and marshall’s for the 2010 Moonta Christmas Pageant held on the 19th December at 5pm. Costumes for Clowns, Fairies etc are available from Tracy Cutting (Moonta Area School Canteen). Ph: 88 252 088
