Tuesday 23rd November
Music Concert Evening

Thursday 25th November
Muso Magic

Friday 26th November
Opera in the Mines

Please view the complete Calendar on the back page.

Principal’s Desk
We’re moving in!

After many weeks of uncertainty we have been finally given the all clear to move in to the new buildings. This process will start this week and will take some time. We will try to minimise any disruptions to students learning time but some time lost will be unavoidable. Both teachers and students are looking forward to the move.

The following classes will be moving into the new 4 classroom block: Mrs Honner, Mr Hall, Mr Smith & Mrs Strauss Scott. Ms. Maureen will be moving into the new Language Centre to teach Japanese.

Once students are in, it will also take time for students to settle into new areas off work and play. New yard duty areas, places to pick and drop of students are only some of the things that may cause concerns. I ask you to initially speak to your child’s class teacher re any concerns you may have.

Staffing news

It was great to see Ms. Laura Camporeale back at the school this week for a quick visit. Laura is recovering from a heart attack, and we wish her all the best in her continuing recovery.
**Step 9**

Congratulations to the following teachers who have recently been awarded Step 9 classification. Mrs Fiona Anderson, Miss Felicity Partington and Mrs Linda Hettner have all satisfied the requirements of this teaching level. We have another 8 teachers who will be applying for this classification by the end of the year. Along with our current 11 Advanced Skills Teachers (AST) we should have 22 teaching staff being acknowledged as Step 9. The Step 9 qualification recognises high quality classroom teaching.

**Remembrance Day**

Originally called Armistice Day, this day commemorated the end of the hostilities for the Great War (World War I), the signing of the armistice, which occurred on 11 November 1918 - the 11th hour of the 11th day of the 11th month. Armistice Day was observed by the Allies as a way of remembering those who died, especially soldiers with 'no known grave'.

At Moonta Area School we will be observing one minute's silence at 11.00 am to remember the sacrifice of those who died or otherwise suffered in Australia's cause in wars and war-like conflicts. Our School will be represented at a special service at the War Memorial. Classes will work on specific activities related to different aspects of Remembrance Day.

**It’s finally heating up**

Although we are yet to have any real heat it will not be long before it happens. (35 degrees predicted for Friday) We remember last year how hot our summer season can get with days reaching very high temperatures for several days in a row. In weather like this it is important that we remember our sun smart behaviour; drink plenty of fluids and remain in the shade during break times.

Whilst all our classrooms are air conditioned, some do work better than others. Should your child start to feel the affects of the heat and/or combined with this are having restless nights you may wish to collect your child at lunchtime. Please ensure you do this through the front office.

**Bushfire closure**

Also a reminder re the governments policy in relation to closing schools on classified 'Catastrophic Days '. The Bureau of Meteorology and the Country Fire Service will provide preliminary advice two days before a forecast Catastrophic (Code Red) Warning. We will then inform staff, parents and caregivers about the possibility of a closure and the possible need for them to make alternative arrangements to keep their children safe on these days. The day before we will confirm if the closure is to take place.

**Yr 12 exams**

Year 12 students continue this week with their final exams. These are being held at the Moonta Golf Club under the supervision of Meredith Westbrook and other staff. I would like to thank the Golf Club for their support and also to the senior school staff for all the work they have done in preparing our students to be able to get the best results they can.

**Camps**

Over the rest of this term, many of our students will be heading off to camps. I had a fantastic time with our year 3 & 4 students last week at Narnu farm on Hindmarsh Island. These certainly can be one of the most memorable things you do at school. I’m sure we all have memories of our times on school camps. I would like to thank all the teachers for their efforts in planning these wonderful educational experiences as well as parents and other staff members who accompany and support the students and teachers on camp.

**Scholarships**

I bring your attention to some scholarships that are for students who will be commencing tertiary study in 2011. More information on these scholarships can be found in this edition of MAS Media.

**R-2 Swimming**

Whilst there will not be any 3-6 swimming this term, R-2 swimming will still proceed in weeks 8 & 9. Parents concerned will soon get information in regards to their child’s involvement in swimming.

**Pupil free day**

Last Friday’s pupil free day was spent on developing our R-6 teachers skills in the use of Interactive Whiteboards. With all our primary classes now having these educational tools, it is imperative our teachers have the time and knowledge to make best use of them. It is great to see when I am doing my ‘weekly tours’ our teachers already incorporating these into their learning programs.

Secondary staff worked on developing curriculum for the new Stage 2 SACE which starts next year. I put enormous value on these days as they provide us with an opportunity as a staff to develop our common understandings, and to support us in heading in a common direction in our aim to continuously improve. I sincerely thank our parents and caregivers as I understand these days can be difficult, with many having to make alternate arrangements for the care of their children for the day.
Class Placements for 2011
Don't forget to let us know, in writing, if your child will not be attending Moonta Area School next year. Also, if you have family or friends moving to the district and who definitely want to enrol their children here, please let us know so they can be considered in the class placements.

We'd like as much information about 2011 numbers as possible so we can structure the classes according to student needs.

YR 9 Naplan Results Outstanding
I have sent all year 9 students a letter acknowledging their outstanding 2010 NAPLAN results. In 4 out of 5 areas they as a group were above the national average. The growth of these students from their year 7 results in 2008 was also at the highest level. I congratulate all students, middle school staff and parents for the role they have played in this improvement. Lets make sure it continues.

Year 7 Results 2008

Yr 9 Results 2010
Minister for Education Award

Michael Carson’s contribution to the school and the community was recognised when he received a “Commendation Award” from the Minister for Education, Jay Weatherill on Friday 29th October at Oceanview College in Adelaide. Congratulations Michael.

Student Voice Money Buys Sport Equipment

The R-6 Action Group and the Student Voice Executive after talking to their classes decided to use money raised this year to buy a set of soccer goals. It was thought to buy them for the use in the gym but when they were assembled they were too big. These will now be used on the oval. PE teacher Mrs McCauley commented that they would be great to use as they were easy to shifted and put into places where convenient especially when lots of classes are using the oval.

State Netball Profile

Name: Ellie Turner
State Team: 12 & under SAPSASA State.
Training regime: 3 times a month at ETSA Park for 2 hours.
When did you go away: 9-15th October
Other sporting commitments: Basketball – Mon, Tue, Wed, Fri, Sun
I would like to thank Moonta Area School for allowing me the time to attend state netball in Canberra; it was a great experience. Ellie was voted by her fellow team mates as the most consistent player from SA for the week. Well done!

Eyre, Flinders, Monterra Shirts for 2011

The Student Voice Executive investigated with fellow students the idea of having special shirts for their Sports’ Day team. Governing Council has granted these shirts to be an optional part of the uniform for Sports’ Day and PE lessons. The shirt will have the house team’s name on the back, school logo and the house initial on the front.

Orders will be taken this year only. The $30 (Inc GST) needs to be paid to complete the order. Sizes are: 6-14 children, adult XS, S, M, L, XL, XXL, and XXXL. The Front Office will have examples of sizes to help with ordering.

Order forms will be sent home or are available at the Front Office or you can use the tear off slip below.

Georgia shows us what the Monterra tops will look like but at this stage the shirt does not have the printing.

ORDER FORM

Eyre, Flinders, Monterra Shirts for 2011

Please return order with payment to the front office by the end of week 8 (3/12/10).

NAME: .................................................................

TEAM: .................................................................

SIZE: .................................................................

COST: Per shirt, $30 including GST.
A small group of Yr 12 students attended the “Taste of Flinders” at Flinders University late last term. Unlike what the title says, this was not about food, but rather a sample of many of the courses offered by the University, what they are about and what it is like to attend uni.

All the students found the experience rewarding and definitely worth attending. They came out excited about their choices for next year, and changed their mind about other offerings!! A valuable and rewarding experience.

Lunch was provided by Subway and was very enjoyable.

The Water Show by Splash Theatre

Last Friday, students from Reception to Year 7 were treated to a special performance by well known travelling theatre company, Splash Theatre. The production was promoted by SA Water so came to us at no cost and at the end of the show every student received a calico bag with a water bottle, a book and other goodies courtesy of SA Water. The theme of the show was the importance of water, its uses and conservation and was portrayed through a variety of skits full of fun and humour but delivering an important message. Some of the comments from students after the performance relate what they got from the show and how important water conservation is to them. “I learnt that 1% of water is okay to drink and I really enjoyed the comedy in the show.” Bayden (RH); “I learnt that water is too great to waste and that we need to do more about water. I liked that they delivered an act that was about learning and got the message across in a great way.” Rachael (RH); “I liked the way they used water to measure weight. I learnt that water can be recycled.” Max (RH); “I liked the bit when the girl was going to flush the toilet.” Angelina & Will (AS) “I like the bit where they dressed up as clowns.” Tom (AS)

The Year Seven students helped to organise the recent Jump Rope for Heart Day. All the Primary classes had a lesson with either Sally or Margie’s class on Thursday the 28th of October. The Year Sevens planned and prepared the activities so all students could be involved. Over $4,500 was raised which goes to the Heart Foundation, a very worthwhile cause. Keep a lookout for your sponsorship prizes which should be here in a few weeks time. Thanks for the great effort from organisers and participants.

Margie Hancock & Sally Hackett

Last Thursday (4th Nov) the Yr11 Community Studies class had an invited guest, Fergus the Scottish terrier! Rebecca Butler has based her Semester 2 work around the making of coats for dogs. Mrs Anderson’s dog Fergus came along to model the coats as part of her final presentation. To do this he was seen in many parts of the school, including the Principal’s desk! Fergus enjoyed his visit and brought a smile to many faces! Well done Rebecca
Music in the Community

The members of the school choir have been having fun going to sing with members of the community. We walked to the Anglican Church on October 26th, did some warm-ups and sang a few songs at their “Morning Melodies.” We had lots of very positive comments from the audience. They were so wonderful. Brenda March played the clavinova for us and we sang with all the audience and then went and introduced ourselves and had a chat to them. They were very appreciative of our efforts and we shared a wonderful luncheon with them.

On Thursday November 4th we walked to Parkview Retirement Village and sang a bracket of songs for the residents and the nurses. Again, the residents wanted to tell us all about their musical experiences in life. Some of us got to do some solos as well. That is always a good experience and allows us to improve each time we perform. We would like to thank Shadelle Lowe and Rob for helping us with equipment to the venue and back and to Mr Angus for walking us there. It was much appreciated.

Some of us still have the music concert, I Paggliacci and the Christmas Pageant to go yet. But the more we become involved with the community, the more we realise how much music fills people with joy.

Yr 3/4 Camp - Narnu Farm

The students in Adele and Dianna’s classes visited Narnu Farm, Hindmarsh Island, Monday 1st November to Wednesday 3rd November.

The students participated in activities such as horse riding, hand ploughing, butter making, feeding animals, milking Moo the cow and watching a blacksmith demonstration. The students had a wonderful time, coming home extremely exhausted after three busy days.

Narnu Farm was a great place to go. You got to milk cows, ride horses, feed animals, make horse shoes and make butter. Thank you to Matt Hopkins, Priscilla Petersen, Milo Marjanic, Jo Scott, Dianna Jarman, Adele Keleher and Dean Angus for helping us on camp.

We would like to thank Dean, Matt, Priscilla, Milo and Jo for their help on camp.

Narnu Farm by Tahlia Woodward

Narnu Farm was a great place to go. You got to milk cows, ride horses, feed animals, make horse shoes and make butter. Thank you to Matt Hopkins, Priscilla Petersen, Milo Marjanic, Jo Scott, Dianna Jarman, Adele Keleher and Dean Angus for helping us on camp.
Last term Miss Ryan’s 3-7 class began music lessons with Mr Ian Vayne. Every Monday after Recess we get ready for singing with some special relaxation activities. Our lessons include learning about music, using percussion instruments during “drum circle” and, of course, singing. As an added bonus, by using the karaoke words on our Interactive Whiteboard, we are also improving our literacy and reading skills.

Here is what the students have to say about music lessons:

“I love music.” Sabrina
“I like singing. I like learning new songs.” Tyler
“I like Mamma Mia, Michael Jackson’s Beat It, ACDC and Deep Purple. I enjoy music lessons.” Connor
“I like Queen’s We Will Rock You.” Jarred
“I love the songs Smoke On The Water, We Will Rock You and Money, Money, Money.” Steff
“I like singing ACDC and playing the bongos.” Kameron

“I like singing Beat It. It is fun.” Ayden
“I love music with Mr Vayne.” Andrew
“I love singing, I like the guitar and the drums. My favourite song is We Will Rock You.” Tayla
“I love to do everything Mr Vayne does. My favourite thing to do is singing.” Amber
“I like to sing.” Kamarhyn

I would like to take this opportunity to thank Mr Vayne for sharing his valuable time and experience with us. We really appreciate his efforts and enjoy working with him. We certainly miss his guidance when he is away!

Miss Ryan

During term 4, 10 middle school students have been participating in a program through the school to learn how to sail.

The funding has been through a national scheme for Youth Development where various schools have the opportunity to instigate their own programs to engage and develop skills in young people.

This particular program has been developed by Moonta Area School teacher and sailing coach, Neil (“Hacko”) Hackett, with the assistance of the Wallaroo Sailing Club and its voluntary members. Each Thursday morning, the students are learning to sail Pacer dinghies while developing skills in leadership, teamwork, confidence building, and communication all while learning the sailing skills themselves.

Hacko has been particularly impressed with the courage the students have shown in some windy and challenging weather, proving our young people will make courageous leaders in the years ahead – or so we hope!!

“Alec in the safety of the rescue boat

“I’m learning not to get punched in the head when Hacko starts the outboard on the rescue boat!”

Ouch! (again)

Jess Campbell
OHSC at MAS

OHSC Christmas Program Term 4 – Week 6

Monday – Home work for 20 minutes, quiet activities for the children who don’t have home work. Arts and Crafts – Making Christmas Cards.
Playing sharks and fish on the grassed area, free play on the playground.

Tuesday – Home work for 20 minutes, quiet activities for the children who don’t have home work. Arts and Crafts – Handprint Santa faces, with poem. Board games – Snakes and ladders, Boggle, Guess Who, Monopoly.

Wednesday – Home work for 20 minutes, quiet activities for children who don’t have homework. Making Christmas Decorations (Paper chains using Christmas wrapping paper) to decorate OSHC room. Free choice of activities: Dress ups, play dough, with cookie cutters, drawing, and card/board games.

Thursday – Homework for 20 minutes, quiet activities for children who don’t have home work. Art and Craft – Making Christmas Crackers
Small group games – Hopscotch, Skittles, Skipping ropes, Twister.

Friday – Art and Craft – Magazine Christmas Tress Let’s Chill-out and make yummy popcorn with icing sugar and watch a DVD.

MOONTA AREA SCHOOL AFTER SCHOOL CARE

Enrolment forms are now available at the front office for OSHC (After School Care). Permanent and casual bookings can be made prior to commencement. OSHC is offered to school aged children aged 5-12 yrs of age from 3pm to 6pm Monday to Friday in school terms.

OSHC FEES CHILD CARE BENEFIT FAMILY ASSISTANCE OFFICE
Fees $18.00 per child (less any CCB (Child Care Benefit) per session 3pm-6pm.
Families should visit the FAO website at familyassist.gov.au or call 13 61 50 to see if they are eligible for Child Care Benefit or the Childcare Rebate and what their entitlements are.
Please call Deahnn Whitehead (Director) for further information on 0439 817 475

Hiragna Ribbons

Congratulations to the following children who have gained levels of hiragana ひらがな in the following categories:

Red ribbon (あか)
Seth Osborne, Ryan Mulholland

Yellow ribbon (きいろ)
Rachael Clarke, Danielle McGrath

Blue ribbon (あお)
Carron Daveson, Mikaela Dunn

Brown ribbon (ちゃいろ)

These same three year seven students have been working incredibly hard and have earned their black ribbon in hiragana. (くろ)

Well done to Mikaela Dunn, Henry Shields and Kayla McCulloch

MAS Music Concert

SEMESTER TWO MUSIC CONCERT

When: TUESDAY 23rd NOVEMBER
Where: IN THE GYMNASIUM at 7.00 pm

Come along and support all of our students learning KEYBOARD, WOODWIND, GUITAR AND DRUMS
Items from the CHOIR and staff members as well.
Gold coin donation at the door to support the music fund.
On Monday Zac, Jaidyn and I went to S.A.P.S.A.S.A cricket in Adelaide. Our first game was against Western Eyre Peninsula. The game was supposed to be at Glenunga oval but the groundsman left the sprinklers on so instead we played at Marryatville High School. The oval was very small. We lost the toss and they decided to bat. We got them out in 25 overs for 52 runs. We batted 2nd and made 222 runs. After the game the photographers came and took our photos.

On Tuesday we played against Port Pirie at St Peters College. Pirie won the toss and chose to bat; we got them all out with 1 over to spare for 156 runs. We made 206 runs and won.

Our third game was at Adelaide High School Old Scholar’s oval against Whyalla. We won the toss and elected to bat. We made 104. Whyalla made 65 runs. This made us the top country team in our division.

On Thursday we played Torrens River for the shield. We won the toss and elected to field. At the end of their overs they made a strong 176. We only managed to make 111 runs with 6 wickets down and lost the Grand Final.

Zac, Jaidyn and I had a lot of fun and we really enjoyed the experience. Our coach Mr. Townsend thought we’d all had a good week and played well.

Harry Love

We had fun, a good experience and we got to meet lots of nice people. We won three games but lost the Grand Final. All in all it was a great week.

Zac Butler

Applications can be directed to The Freemasons Foundation, 262 Grange Rd Flinders Park SA 5025 or telephone 84439909. Applications available from the front office

**Country Health SA Undergraduate Scholarships for 2011**

Country Health SA is committed to providing a range of high quality health services in rural and remote South Australia to meet the needs of South Australians living in country areas.

There are three undergraduate scholarships available to rural students:
1. CHSA Undergraduate & Professional Entry Scholarships
2. CHSA SA Ambulance Service Volunteer Scholarships
3. CHSA Aboriginal Professional Employment Program

Application forms can be completed electronically by students or by printing them off the website.

**Year 12 Exams**

School life for the Year 12’s as they have known it for the past 13 years is quickly coming to an end. At the moment they are both undertaking exams and packaging up their work to be collected by the courier for moderation in Adelaide. Exams began last Tuesday with the PE exam the first cab off the rank, followed by Maths Studies on Thursday. This week students have sat the Biology, IT, Psychology, Chemistry, Maths Applications and Geography exams.

The exams will conclude with Modern History next Tuesday. It can be a very stressful time for both students and their families but we are pleased to say that most students have exited the exams feeling quietly confident. Once they have sat one and know what to expect, the rest don’t seem quite so daunting.

We would like to publicly thank the Golf Club for kindly allowing us to conduct the exams at the clubhouse, away from sirens, phones and the many other distractions that can occur at school. Their generosity is greatly appreciated. We hope the students reap the success of their hard work and that of the teachers, and that they can enjoy little bit of downtime after such a pressure packed period before they move onto the next stage of their lives. Good luck and best wishes for a happy and healthy future.

**Scholarships**

**The Noel Fairweather Scholarship**

The Noel Fairweather Scholarship was established to honour the memory of the late Noel Fairweather for his love of youth and his knowledge of the hardships that rural students face when pursuing their academic career away from home. The Scholarship is now valued at $2,000 and is for students living in rural areas, who are completing their secondary education.
From 1.00pm – 4.00pm on Sunday November 21st a ‘Living Books’ event will be held in the library as part of the school reunion. The ‘books’ this year include, Doug Warmington, Lilian James, Mary Martin, Trevor Ellis and Travis Skipworth. To loan out your book on the day just fill in the booking sheet in the library.

**Doug Warmington – Moonta Born and Bred Teacher**
Doug Warmington has spent 84% of his 62 years living in Moonta. Schooled at Moonta Mines Primary and Moonta High schools 1953-1964; trained at Western Teachers College, Adelaide 1965-1968; completed National service 1969-1970; then did a post graduate year in Sydney before taking up teaching at Naracoorte/Penola 1972-1974. Doug returned to his hometown in January 1975 to teach Boys Crafts. His 31 years teaching at Moonta provided many opportunities to implement and develop courses, not only relating to technical studies, but PE, AG Science, and Primary Technology. Extra curricular activities included Outdoor Ed Camping, Rock Eisteddfod Props production and Pedal Prix. In the community he taught swimming, Firearms safety, and art at different times. On this school reunion weekend he will focus on changes he has seen in the schools in the Moonta area.

**Lilian James – Always a Teacher**
Lilian James was born in east Moonta and completed her schooling here. She started her teaching career at 17 and then went to teacher’s college. Lilian taught at Laurie Park (in the SE), Yorketown, Maitland, Kadina and Moonta. Lilian then moved to Banksia Park and gradually took up teaching the Cornish Language, and is one of few people to be able to do this. Lilian is a Bard as well as having an OAM (Order of Australian Medal) in recognition of her teaching and publishing books in Cornish.

**Mary Martin - Old Time schooling**
Mary Martin (Fuss) was born at Agery and went to the Agery school during the war years. They were into recycling as they all had to collect paper and bones for the war effort. She then had to board in Moonta for her high school years while completing a commercial course. She initially started with science, but Mary was a bit scared by some of the different behaviours. Mary came back to the Moonta high School in 1974 as the laboratory assistant. There were very different working conditions to what there is today; also many funny times with both students and teachers. Mary travelled many places over this time and retired in 1993.

**Trevor Ellis – History and Moonta Schools**
Trevor Ellis was born in October 1939 at the Moonta Jubilee Hospital. His parents, Bess and Cecil Ellis, lived at East Moonta, and when Trevor was five they moved to Moonta Mines, just near the school. Trevor grew up as sections of the mines workings (Hughes Pump) were being dismantled, and remembers the old miners retired in their little cottages. There was a strong Methodist influence at Moonta Mines, and with the school, the old mines ruins, Methodism and dozens of mates, it was a great place to grow up and go to school. Trevor is happy to talk about the history of the schools and about growing up in the area.

**Travis Skipworth**
After completing his primary schooling at Weetulta, Travis Skipworth moved from his family farm into Moonta to begin his secondary schooling at Moonta Area School. In year 11 he was appointed as Head Prefect. He left school at the end of 1969. In 1981 his first child enrolled at Moonta Area School which enabled him to be involved once again. Being interested in the development of the school he joined the School Council & was appointed as the chairperson in 1997. He is still the chairperson of the now Governing Council & has worked with many principals, and has actively been involved with many changes that have occurred over the years. He is willing to discuss the changes that he has witnessed at Moonta Area School.
The following proposals will be discussed at the meeting held DATE:

1. **Proposal One: Student Voice Executive Lunch**
   Proposal: End of year lunch for SVE at 12:30 at La Cantina
   Requirements from home: None
   Cost: No cost
   Date: 7th December 2010
   Proposer: Margaret Pope

2. **Proposal Two: Change of date**
   Proposal: Aboriginal Mentoring Program change of date from: Friday 19/11/10 to Friday 26/11/10
   Requirements from home: None
   Cost: None
   Date: 26/11/10
   Proposer: Sonya Rankine

3. **Proposal Three: Casual Day**
   Proposal: Student Voice Casual Day
   Requirements from home: None
   Cost: None
   Date: 10/12/10
   Proposer: Isaac Glasgow

4. **Proposal Four: KO Softball Finals**
   Proposal: Travel to Adelaide to play in Final
   Requirements from home: Drinks & Food
   Cost: $15.00
   Date: 22/11/10
   Proposer: Raelene Stutley

5. **Proposal Five: Yr 2 End of Year Celebration Tea**
   Proposal: Celebration Tea
   Requirements from home: Parents to pick up child 8pm
   Cost: $2.00
   Date: 25/11/10
   Proposer: C Hutchins, S Clark, J van Galen

6. **Proposal Six: End of Year Party Catering**
   Proposal: Catering provided by canteen
   Requirements from home: Money
   Cost: $3.00
   Date: 9/12/10
   Proposer: K Strauss-Scott

The following proposals were approved at the meeting held DATE:

1. **Aboriginal Mentoring Program**
   Proposal: Year 7-9 Aboriginal Male Students Mentoring
   Date: 12th & 19th November 2010
   Proposer: Sonya Rankine

2. **Dressing of the Graves**
   Proposal: Dressing of the Graves – Channel 7 Documentry
   Date: 2nd November 2010
   Proposer: Di Daulby

3. **Hospitality Excursion**
   Proposal: Yr 11 Excursion to Adelaide
   Date: 11th November 2010
   Proposer: Fiona Anderson

4. **Yr 6 Graduation Dinner**
   Proposal: Year 6 Graduation Dinner
   Date: 7th December 2010
   Proposer: Richard Hall & Chelsea Honner

5. **Singapore Cricket**
   Proposal: Singapore Cricket
   Date: 19th November 2010
   Proposer: Daniel Richardson

6. **R.E. change of date**
   Proposal: Change of date
   Date: From 3/12/10 to 26/11/10
   Proposer: Di Daulby

7. **R-6 Class Parties**
   Proposal: R-6 Class parties
   Date: 9th December 2010
   Proposer: Di Daulby

8. **Youth Development Sailing**
   Proposal: Youth Development Sailing
   Date: Thursday’s 8:30am to 12:30pm
   Proposer: Neil Hackett

The awards and certificates were presented at our last assembly. We were very lucky to have past (and first) principal of Moonta Area School, Joe Browne and past (and first) school and community teacher librarian, Eileen Browne, to present the awards to the over 250 students who completed the Challenge this year.

We also had several students who have completed the Challenge for seven years and they were awarded the Hall of Fame medal, the first year of its presentation. Their names will also be on the Premier’s Reading Challenge website. Congratulations everyone.

Mr & Mrs Brown with various medal winners from Mr Hall’s class
Public Notices

**KDYC Sport Aerobics** - come and try sessions
**Where:** KDYC Recreation Centre
**When:** Tuesday 16th November & Tuesday 30th November

Ages 7 – 9  3:30-4:30pm
Ages 10 and up  4:30-5:30pm

Sessions are free so please come along, have a go and enjoy some fun, fitness and friendship.

For more information call Scott Mercer 0418 859119 or Anne-Marie Elsworthy 88252296

**2010 School Magazine**

2010 – the year as it happened. Do you want all the inside information? This year’s magazine will be the usual blockbuster filled with photographs, descriptions, news of events, sporting and academic achievements, art work and much more.

The 2008 Moonta Area School magazine will be spiral bound and features a colour front cover, which is protected by a plastic sheet. 6 colour pages. A wonderful piece of memorabilia, jam-packed with all the events of the year.

To secure your copy, please fill out the tear off section and forward to the Front Office with $15 (inc GST) per copy. There will be limited spares. If you don’t order and pay, you may miss out on this terrific offer.

Orders are due back to school by **Friday 26th November, Week 7.**
