SCHOOL WELCOME NIGHT -
I encourage all parents to attend our Welcome Night as an opportunity to meet your child’s teachers and other members of staff, including myself. Your child will able to show you around their class and you will receive important information from teachers and coordinators. Remember we will be providing a BBQ on the night. I look forward to seeing you tonight.

PARENT INVOLVEMENT AT MAS
To be a great school, we need to have as much parent involvement as possible. This can be as basic as ensuring you know your child’s teachers, class expectations, work requirements of each of your children so you are able to support the learning of your children. Making sure your child misses minimal schooling by keeping appointments out of school hours and being on time every day are common things we need all parents to do. It may be that you are able to provide more time and assist with canteen support or assist our LAP program by reading with students on a regular basis. You may wish to be involved with governance of the school and join Governing Council, Decision Making Council or become a member of our Parent Club. One thing is certain, - the more parent involvement we have, the better the school will be. We can’t do it without you.

As I mentioned previously, education is, essentially, a partnership between home and school and in order to do it well we need your advice and input about what you think would work for your child and the student body as a whole. It is fair to say that we all want what is best for our children. How do you get that?

GOVERNING COUNCIL
One way is to join Governing Council and become a member of a committed group of parents, like yourself, who meet once a month for a couple of hours to discuss, inform and decide on a range of issues to do with the school and its direction.

Governing Council members contribute to and advise on school policy matters, finance issues, asset management, school systems and communication methods. They also help out at many of the school’s events such as sports day.

What’s in it for me?
It’s a big list, starting with supporting not only your own child’s education but that of others.
Council members would describe a sense of satisfaction at seeing a job well done and an ongoing feeling of achievement as they walk through the school, knowing it is a better place for the students and staff to learn as a result of their efforts.

Want to know more?

I am sure any of the people mentioned below would be happy to talk to you about their time on Governing Council; what they got out of it as well as what they did and what the meetings were like, plus any other questions you may have.

On our Governing Council, elected members last year were: Elise Barrett, Mark Templer, Meredy Shipard, Libby Williams, Lyndon Elsworthy, Julie Wardle, Sue Ferguson Tony Dunn, Adrian Hatcher, Craig Cross, Sandy Madden, Greg Smith, Wendy Hutchinson, Anne Jolly, Sue Moss, Tracy Cutting. Representative members include: Travis Skipworth, Bruce Schmidt, Janice Sawdy and Sue Barry.

As the constitution dictates, some of these members completed their two year tenure at the end of last year and therefore will be up for re-election or will be retiring. Three of our school councillors have indicated that they will not be seeking re-election, Mark Templer 2000 to 2011, Sandy Madden 2002 to 2011, Elise Barrett 2009- 2011. I would like to take this opportunity to thank them for all the time and effort they have given to the Moonta Area School Community. They have all made a difference to our school.

The Governing Council AGM will be held on Wednesday 2nd March at 7.30 pm. I invite all parents to attend. If you wish to stand for Governing Council, I ask you to either complete the tear off nomination slip and return it to the front office at the school or contact me directly. (Page 3)

MOONTA AREA SCHOOL PARENT CLUB

This group of interested parents meets every term, with myself chairing the meetings. Our aim is to facilitate the involvement of parents in various aspects of Moonta Area School. Roles and functions may include helping to organise support and parent involvement in:

♦ Organising guest speakers on a range of topics
♦ Helping in classrooms
♦ Supporting parents’ concerns
♦ Working bees
♦ Sports days
♦ Special events
♦ School photos
♦ Giving parents another voice
♦ Coordinating meet & greet at the start of the year for new parents
♦ Providing parents with relevant useful information

♦ Time to speak with the Principal

Our first meeting for 2011 will be on Tuesday 1st March at 7.00pm in the Conference Room and I invite all interested parents to attend.

READING VOLUNTEERS – LEARNING ASSISTANCE PROGRAM (LAP)

One of our major school improvement priorities this year is the improvement of reading across the school. One of the best ways for students to improve their reading is reading out aloud on a regular basis. Any time or support you can provide in this area would be most welcome. No prior experience or qualifications are necessary – just the ability to have fun. Mums, dads, carers, grandparents, relatives, and neighbours are all welcome. You may have an elderly aunt or know of someone who may like to assist with this. They do not need to be connected directly with the school. All volunteers are required to undergo a criminal history check (paid for by the school). If you are able to volunteer, have any questions or would like more information, please contact Laura Camporeale at the school. We would love to hear from you.

CANTEEN VOLUNTEERS REQUIRED

Our canteen’s future depends on its ability to make itself run at a slight profit. DECS will not allow any canteen to run at a loss. The introduction of the Healthy Eating Guidelines, has seen the removal of many previous (non healthy) profit making items from the menu. Along with the fact that healthy options take more preparation time, our need for volunteers has never been greater. Please contact Tracy at the canteen, if you can help in any way. This year we will need extra support for Sport’s Day. Any time you can help would be greatly appreciated.

SPORTS DAY VOLUNTEERS

We are always very appreciative of any help we can get to support the running of our school sport’s day on Thursday 10th March.

There are many and varied jobs to do from timekeeping, to cooking BBQs. If you have some time on the day and would be willing to assist please contact the school. We would love to hear from you.

ATTENDANCE

As you are aware it is Government legislation that all children under 17 years of age should be attending school. All students who are absent from school must provide a reason for their absence. There should be very little reason for us to use the “Unexplained” category of absence in our records for any student absence. A quote from some preliminary information from the package provided to schools by the Education Department:
Choir – Christmas Carols

Although the weather was inclement there were a large number of floats in the procession and a lot of people in the street. The Carols concert was of a high standard and immediately after it I had numerous good comments about the School Choir. People noticed the discipline of the children and said how well they sang. Congratulations to Maureen Ashby and all the students in the Choir, a brilliant performance.

Graham Sobey
Christmas Activities Co-ordinator

Principals Desk

“The likelihood of success in learning is strongly linked to regular attendance and appropriate participation in educational programmes.

It is crucial that students develop habits of regular attendance at an early age, even from the time they are enrolled in a pre-school setting. Students who have poor patterns of attendance are at risk of not achieving their educational, social or psychological potential and are disadvantaged in the quality of choices they are able to make in later life situations”. Although we would prefer that students try to have appointments outside normal school hours, we realise that there are times when a student needs to leave the school grounds for something that cannot be done at another time, or for unavoidable family reasons. At such times, we request that you pre-arrange appointments for your child and either notify the school via telephone or a note in their diary.

REMEMBER - EXEMPTION FROM SCHOOL ATTENDANCE

Exemptions from school attendance for less than four weeks at a time can be approved by the Principal (for family holidays etc.) A written application for exemption must be submitted at least four weeks prior to the travel commencement date. A note providing details of the child’s absence can be left at our front office. For absences of longer duration, an exemption from attendance request must be completed by parents and these are forwarded to the district office for approval. These forms can be obtained by contacting the principal.

PUPIL FREE DAY   FRIDAY 11TH MARCH

A reminder that the school will be closed Friday 11th March, the day after Sports Day. On this day primary staff will be involved in looking at Big Ideas in Number as we move to integrating the new National Curriculum in 2012. Secondary staff will be looking at the New SACE and improvements in Literacy. This Friday will give parents the option of a 4 day holiday as Monday 14th is Adelaide Cup Day.

Wells done Everyone

Awards Assembly

Thank you for allowing me to participate in the End of Year Assembly, 2010 by presenting the ADF Long Tan Leadership and Teamwork Awards. I was impressed by the students who won the awards – they are a great credit to Moonta Area School. I also appreciated the warm welcome I received by you and your staff.

From Lieutenant Samantha Fuss.

Jump Rope for Heart

On behalf of the Heart Foundation, I am writing to express our thanks to the students, staff, families and friends of Moonta Area School for participating in the Heart Foundation Jump Rope for Heart Program in 2010. In particular, I would like to acknowledge Mrs Sally Hackett, whose efforts in coordinating the program greatly contributed to its success.

Colin Rowston
Heart Foundation Jump Rope for Heart.

Choir – Christmas Carols

Although the weather was inclement there were a large number of floats in the procession and a lot of people in the street. The Carols concert was of a high standard and immediately after it I had numerous good comments about the School Choir. People noticed the discipline of the children and said how well they sang. Congratulations to Maureen Ashby and all the students in the Choir, a brilliant performance.

Graham Sobey
Christmas Activities Co-ordinator

Any Changes?

If any family has changed their address or phone numbers over the holiday break, could you please notify the school. It is very important that our information is updated in case of an emergency.

Thank you for your assistance.

Governing Council AGM 2/3/11

Moonta Area School Governing Council Nomination Form 2011

I wish to nominate for a position of Governing Councillor for a term of two years.

Name: __________________________

Signature: __________________________
The following proposals will be discussed at the meeting held DATE:

**Proposal One: MAS Cross Country**
Proposal: Resubmit date  
Date: Tuesday 17th May 2011  
Proposer: Raelene Stutley

**Proposal Two: District Athletics Day**
Proposal: Students 10yrs-13yrs participate in Primary Athletics Day  
Requirements from home: Sunsmart Clothes/lunch  
Date: Wednesday 23rd March 2011  
Proposer: Sally Hackett

**Proposal Three: SAPSASA Cross Country**
Proposal: Interschool Cross Country  
Cost: $5.00  
Date: Thursday 9th June 2011  
Proposer: Sally Hackett

**Proposal Four: Yr 10 Camp-Stenhouse Bay**
Proposal: Annual event with no change  
Date: Monday 5th December – Thursday 8th December 2011  
Proposer: Bruce Gordon

**Proposal Five: Yr 10 Twenty 20 Cricket**
Proposal: Participate in K/O Cricket  
Requirements from home: Cricket whites, recess, lunch, waterbottle, hat  
Date: Monday 28th February 2011  
Proposer: Ashley Dearlove

**Proposal Six: Yr 8/9 K/O Cricket**
Proposal: Compete in K/O Cricket Carnival  
Requirements from home: Cricket whites, recess, lunch, waterbottle, hat  
Date: Thursday 24th February 2011  
Proposer: Ashley Dearlove

**Proposal Seven: Yr 10/11 Students-Financial Literacy Session**
Proposal: Yr 10/11 student attend Start Smart Rural & Regional Workshops  
Date: Friday 25th March 2011  
Proposer: Dean Angus

**Proposal Eight: Yr 10 Youth Expo**
Proposal: All Yr 10 student attend Youth Expo  
Date: Friday 8th April 2011  
Proposer: Dean Angus

**Proposal Nine: Kindy Transition Date**
Proposal: Dates & times: 17/3 8:30-10:35 (wk 7), 24/3 8:30-10:55 (wk 8), 31/3 8:30-12:40 (Wk 9), 7/4 8:30-1:10 (wk 10), 14/4 8:30-3:05 (wk 11).  
Proposer: Linda Hettner

**Proposal Ten: Yr 8/9 Sam Davis**
Proposal: Attend session Friday 25th February L1 & L2  
Proposer: Dean Angus

**Proposal Eleven: Clean Up Australia Day**
Proposal: Students R-Yr 10 be involved  
Requirements from home: Gloves  
Date: Friday 4th March 2011  
Proposer: Margie Hancock

**Proposal Twelve: Science/Book/Literacy & Numeracy weeks**
Proposal: Special promotion of different parts of the curriculum  
Dates: Science 13th-21st August (wk 4), Book Wk 20th-26th August (Wk 5), Literacy & Numeracy 28th August-3rd September (Wk 6).  
Proposer: Tricia Stringer

The following proposals were approved at the meeting held DATE:

1. **Yr 7 Melbourne Camp** – 5th – 7th December 2011  
2. **Crossing Training** – Yrs 4-6 under take crossing training Thursday 27th October 2011  
3. **NAPLAN** – To be held on the following dates: 10th, 11th, 12th & 13th May 2011  
4. **School Photos** – Photo day to be held on the following date: Tuesday 22nd March 2011  
5. **Yr 10 Outdoor Ed Bushwalk Camp** – Take part in camp as part of course requirements. Tuesday 7th – Friday 10th June 2011  
6. **Yr 11 Outdoor Ed Bushwalk Camp** – Take part in camp as part of course requirements. Tuesday 17th – Friday 20th May 2011  
7. **Yr 11 Outdoor Ed Camp** – Part of course requirements. Tuesday 5th – Friday 8th April 2011  
8. **Yr 10 Outdoor Ed Waterskiing Camp** – Part of course requirements. Tuesday 15th – Friday 18th February 2011  
9. **Yr 11 outdoor Ed Self Reliant Bushwalk** – Part of course requirements. Tuesday 21st - Friday 24th June 2011  
11. **Yr 9 Camp** – Camp to Adelaide Term 4, Week 8  
12. **Yr 8 Camp** – Port Vincent Aquatic camp Term 4 , Week 8  
13. **Austdrive Program** – Austdrive run a course for L, P & full licence drivers on: Wednesday 16th March 2011
Family Maths Challenge

With the new Maths initiative that is going ahead this year we feel it is important to encourage this at home. For this reason there will be a Maths Challenge put in the Newsletter each week. They are intended for the family to do together. Talk about Maths and see how you all solve the problems. Record how you do the challenge and then bring it in to school (with name and class) and post it into the Maths Box in the office by Friday.

Family Maths Challenge 1 – STRANDED!

a) There has been a flood near a local farm causing a herd of 48 sheep and 12 lambs to be stranded on top of a hill. The only way the farmer can rescue the herd is by using a tractor pulling the trailer. The trailer can hold only 6 sheep or 12 lambs at a time. How many trips will the farmer need to take to rescue his entire herd?

b) If the herd consisted of 480 sheep and 120 lambs, how many trips would the farmer need to make?

Linda Hettner's Reception/Year 1 Class

In 3 weeks at school we have: Played with friends, used the interactive whiteboard, made weather Pictures, played with playdough, written in our books, written letters and numbers, read to the teachers, listened to stories, made patterns, played on the playground, played on the monkey bars, used the computers, gone to the library, said words in Japanese, played in the Gym, played instruments, played with the kitchen, made jigsaws, drawn pictures, cut out and glued things on paper and played outside.
In the January School Holidays I played in Albury in the U/14 Boys SA State Basketball team. We had trials in October and I was selected to go along with 19 other boys from around the state. We had training all through the holidays, two to three times a week.

In Albury we played one or two times a day. The teams we played were two Victorian teams, two New South Wales teams, Western Australia and the other South Australian team. We only won one game which was against Western Australia. We were there for a week and travelled by bus. I enjoyed the experience and learnt a lot.

Riley Hatcher

Trials were held back in November for selection in the Australian Basketball Country Cup to be held in Albury, NSW. 20 girls from Under 14’s were selected to make up 2 teams of 10 in which I was selected in the SA ‘Magpies’ team. In the lead up to the Cup, we trained for 2 hours, 3 times a week. This was a big commitment, especially in the holidays, but it was worth it as our fitness and skill levels improved a lot.

We left for Albury by bus at 6am Saturday 15th January, a long trip but lots of fun. We played over 6 days, sometimes 2 games a day. Our Magpies team made it through to the Grand Final undefeated, but unfortunately lost to NSW (who we had beaten in a previous game). We were all very disappointed to lose, but proud that we made it that far. I had a great week away and made lots of new friends, both from SA and interstate who I still and will keep contact with. It was a great experience and I have learnt so much from the whole experience. It provided me with memories that will stay with me forever.

Ellie Turner

Pancake racing is a Medieval tradition dating back many hundreds of years. It was traditionally held on the Tuesday before Lent (Shrove Tuesday) when everyone used up the food they had before entering the period of Lent. Races were held all over England, with each County having their own traditions. The idea was that you had to run a designated distance, all the time flipping your pancake in a pan!

On Thursday, 10th Feb 2011 the year 9 girls attempted a race with the pancake they had made! There were many disasters and in some cases it was a good job many of the pancakes were very rubbery!

Pancake Races at MAS

MAS OSHC

On Friday the 11th March the school is closed. However we are offering the OSHC service to be open from 8:30am til 6pm. We are seeking expression of interest from families for care on this day. The total cost will be $60 for the whole day. Child Care Benefit will be applied accordingly for families. This includes morning tea and afternoon tea. Families will need to pack lunch for their children. The service needs a total of 8 children for the service to operate. If you are interested please let the director know as soon as possible. Please call 0439817475 for enquires.

On Wednesday 23rd February OSHC will be holding a committee meeting in the OSHC room at 6pm. If you are interested in joining us please let the director know as soon as possible. We hope to see you there.

Thanks
Deahnn Whitehead - OSHC Director
A group of our students will be working with Karen George (KMHS Art Teacher) on a District Council Art Project. Karen has provided the following information in regard to this project.

A small group of students from Yr 5-Yr 9 will be selected to participate as part of the Government initiative for Youth Development. During term 1 we will be producing mosaic fish on boards to display locally. Karen is also seeking interested school or community members to join in by working with and mentoring the students involved. There is no age requirement, young and old are welcome. No prior mosaic skills are needed, and you will have the opportunity to learn alongside students. You just need to be friendly, caring and willing to chat and work with the students involved.

For further information contact Karen George on: 88210460 or our school on: 88252088.

To enable us to run comprehensive ‘hands on’ Primary Science and Technology programs we are seeking help in collecting the following recyclable materials: margarine containers, ice cream containers, material scraps, toilet rolls, beads, milk cartons, stockings, wool, jewellery, buttons, old clothes belts and buckles, chains, old toy wheels, cogs, plastic bread ties, pop top lids bottle top lids. If you can help out please drop items into my classroom in the blue wheelie bin and I will then sort them out.

Thankyou for your assistance.

Cheers, Kerry Crosby.

Michael being presented his merit certificate by Mark Aiston

Monday to Friday 8.00 to 8.40 a.m. In the Drama and OHSC building.

Research has shown that children who do not have breakfast experience trouble learning at school. There are many reasons why some of our students come to school without breakfast. Our Breakfast Club is to encourage the good practice of eating breakfast. Our Club is open to everyone to attend and enjoy toast and a warm chocolate drink. A donation of 20 cents or a couple of empty drink cans for recycling would be appreciated. Attend as early as possible so as not to be late for the start of the school day. Early students will be supervised until 8.30 a.m.

Thank you
Margaret Pope

Milo In2 cricket

Milo In2 cricket will recommence this year for two more sessions, Wednesday 23rd February and 2nd March. A windup sausage sizzle will be held in the next coming weeks at a date to be advised in the next newsletter.

Thanks Ian Ravo
In 2010 students broke the school record for participants successfully completing the Premiers Reading Challenge. We hope to go even better this year. The theme for this year is ‘One World – Many Stories’. The school will use ‘One School – Many Stories’. As students complete the Challenge their photos will be displayed as a mosaic in the library. Parents are encouraged to drop into the library during the year to see the progress of the Challenge.

What is it?

The Premier's Reading Challenge is a literacy engagement program that has been operating since 2004. Its major aim is to:

- Encourage students to read more books and enjoy reading
- Improve literacy levels.

The Challenge requires students to read 12 books between the beginning of the school year and early September. The Premier's Reading Challenge is for everyone from Reception to Year 9. If you are in Year 10, 11 or 12 you can also participate.

You are challenged to read 12 books from the start of the 2010 school year until 9 September 2011.

What can parents do?

In the results for the National Assessment Program Literacy and Numeracy (NAPLAN) in 2010, DECS students completing the Premier's Reading Challenge in Years 3, 5, 7 and 9 showed better rates of reading growth over the past two years than DECS students who did not participate in the Premier's Reading Challenge. Similar results were evident in 2009 and have been maintained in 2010.

Parents are encouraged to take a keen interest in what their child is reading. Getting your child to read to you or reading to the child motivates them to continue and strengthens their literacy skills. Further information on how you can help your child will be available in the library or go to www.prc.sa.edu.au - The Premiers Reading Challenge website.

Benefits for those participating include:

- Giving students a focus on their reading
- Encouraging students to read more books and enjoy reading more
- Encouraging boys to participate by being 'challenged'
- Offering incentives for reluctant readers
- Building self-esteem and pride, school unity, and a sense of achievement
- Increasing the involvement of parents in their child's reading
- Increasing library borrowing
- Contributing to increased literacy levels.

A new award called the 'Hall of Fame Reader for Life' will be presented for the first time in 2011 to students who have completed the Challenge from eight years onwards.

Incentives

As a way of encouraging students to be involved, the library has come up with a few incentives.

Individual: As the challenge is completed, student's names are written in the newsletter and their names placed in a lucky draw for a $10 voucher. This can be used to purchase a book or magazine (not lollies etc) at the Moonta Newsagency.

Class: The first class R-2, 3-6 and MS (English classes) to finish the Challenge can have a PE lesson with Mr. Angus. Whole School: When we reach 150 students every student will be able to have a Super Duper iceblock.

We are also looking at getting one of the PRC ambassadors here for a visit, either to encourage participation or to present the awards in November.

Movie Day: When we reach a target of 275 or more, those students who have completed 'The Challenge' can have a movie session. To assist with numbers and cost, R-2 students would watch a new movie in school gym and Yrs 3 – 12 students would attend a suitable new release movie at the local cinema.

Students who successfully complete the challenge will have their names included fortnightly in MAS Media. So take up the Challenge, have fun reading and let's break the record again!
Congratulations go to the following on their election as House Captains and Vice Captains for school sports teams this year.

</table>
Sports Day 2011 is to be held at the school oval on Thursday 10th March.

For students in years R-12, a Twilight Meeting is held on the large oval, beginning at 12.30pm, allowing all keen spectators a chance to see some of the action. The students compete in three separate houses, Monterra, which is blue, Flinders, red and Eyre, green. The friendly rivalry between these houses is a feature of the day.

Shade is provided for the students and spectators are welcome to bring some of their own.

One of the key things necessary to make sure the day runs well for the participants, is a good number of willing helpers to act as stewards on the various events that are held. It is hard to get enough of these and it would be great to see many parents and friends join us to provide support for the students. Could you please fill in and return the attached form, indicating your willingness to help and your preferred area and time.

Without a sufficient number of helpers, the quality of management and supervision of events suffers.

Food and refreshments including tea, are provided at the oval by the School Canteen and the Governing Council and they also would appreciate your assistance.

Again, we will be very grateful for your services on the day to help it run smoothly, and best wishes to all students and their respective teams for the event.

A copy of Year 3-12 programme is attached to this Newsletter to help parents organise their times.

Thanking you for your support,

Sport & Rec Committee.
Christmas Pageant - Costumes
I would like to thank everyone from Moonta Area School who was in the 2010 Christmas Pageant, especially all the mum’s and dad’s who helped out on the day. The kids were great and very well behaved. Well done to all of you. Please return costumes to Tracy at the canteen. Thankyou - Tracy Cutting.

Moonta Cricket Club Junior and Senior Colts windup - Wednesday 16th March at Football Clubrooms. 5.30pm start with gold coin donation for tea.

Moonta Football Club – Junior Colts Training
Training for the 2011 season for the junior colts will be held on Tuesday and Thursday afternoons, commencing on Tuesday 8th March 2011 at the town oval from 4:30pm til 5:30pm. All eligible and intending players aged 14 and under are urged to attend, for more information contact Andrew Pearson on 0419 871 226.

Clean Up Australia Day
Friday the 4th March, week 5 is the National Clean up Australia Day for Schools. Once again Moonta Area School will support this worthy cause and all classes R – Year 10 will be involved in an organised clean up of the local community. This year Clean up Australia Day is being organised by Margie Hancock’s Year Seven class who will buddy up classes and help them prepare for the clean up. Students will be supplied with a rubber glove and will receive a Zooper Dooper ice-cream, supplied by the SVE, for their help.

Please send along any spare plastic bags to the Front Office as these are hard to find now.

Time: Friday 4th March Lesson Four 11:50am – 12:40pm. What to bring – plastic bags, tongs and gardening gloves.

Parents and friends are welcome to come and join us and there will be a detailed list of the actual clean up areas for each of the classes in the next newsletter.

Thankyou for your support.
Margie Hancock and Year Seven Class

Road Crossing Monitors
Term 1, Week 4
