Clean up Australia Day
Monday 7th March
5 p.m. DMC
Thursday 10th March
Sports Day
Friday 11th March
STUDENT FREE DAY
Monday 14th March
PUBLIC HOLIDAY –
ADELAIDE CUP

Please view the complete Calendar on the back page.

This school year expect the best.
A very important element in helping children do well at school is what we expect. Expectations exert a tremendous influence on what students are able to achieve. Schools can improve student learning when they urge teachers and students to set their sights high – and mean it.

Just about every school, teacher and parent say they do hold high expectations for their children. But what is said may not be truly believed - and it is the belief that moves the child.

Teacher expectations of students tend to be self-fulfilling. The power of belief in you by someone you respect becomes a propelling force to believe in yourself. Yes, you can do this. But when students are not expected to do well, then most often they do not. Just as students’ belief in themselves can translate into high or low performance, teacher and parent beliefs and behaviours towards students can affect how well they perform in school. Even body language is revealing. We know from research that teachers smile, lean towards the students and look at them more frequently when they believe they are interacting with someone of high ability.
Research also tells us that highly effective teachers are tenacious in their high expectations for all their students - they don't care who they are, where they come from, or what their family circumstances might be.

Many Australians think that innate ability is what makes us successful academically. High ability equals high performance; low ability equals low performance. But in many other countries, notably Asia, hard work and effort are believed to be the key to improved academic performance. With these expectations, if students are not succeeding it is not because they are not smart enough, it is because they are not working hard enough!

Children may complain about demanding teachers but they also equate hard work with success and satisfaction and are disappointed in teachers who demand little of them and allow slack discipline.

Just having high expectations is not all that is needed for students to succeed. Teaching and learning are very complex. But high expectations, from parents and teachers, are the launching pad, the base from which children can aim for the stars and, using their own abilities and efforts, achieve their learning goal.

Student Voice Induction Friday 4th March 9am
I invite all members of the school community to attend this very important school event this Friday in the school gym when we induct our School Captains, House Captains and members of Student Voice.

Pupil Free Day Friday 11th March
A reminder that we will be having our first Pupil Free Day on Friday 11th March.

Sports Day – we need your help
Moonta sports day is one of the best I have seen. One of the reasons for this is the hard work done by our Sport & Rec committee and also the support we get from our school community attending the event and supporting by doing various jobs on the day. We are in dire need of volunteers, so if you are able to give any time on the day it would be greatly appreciated. Please contact Heather Skipworth at the school

Sports Day
I look forward to seeing you all at our Sports Day. We anticipate a fantastic and enjoyable day and I thank all the members of the Sport & Rec Committee for their excellent organisation and preparation they have done.

Some notes for parents about sports day:
- All students are expected to attend, and we expect them to conduct themselves, and represent their school well on the day.
- Sportsmanship and striving for personal bests, alongside of teamwork, and lots of fun will be a feature of the day. Remember we have the Travis Skipworth House Cup which will go to the team who displays the best team spirit.
- Participation is really important with students able to pick up points for their houses by helping to supervise events, volunteering in the canteen, and having a go at events, whether they are expert at them or not!
- I remind all students to sign in at the announcer’s desk, and to sign out if they leave before the end of the day. This is an Occupational Health and Safety requirement, so that we know who is on campus at any time, should there be a need.

Safety reminders on sports day
Please ensure you have:
- Hats, water, sunscreen, sunglasses, shoes
Make sure you take fluid on a regular basis throughout the day; make use of the shade when not participating and reapply your sunscreen often. All students are required to wear shoes whilst competing and we would like to see all students in shirts and sleeves.

Face Book/Phone Text
As a school we are more and more having to deal with issues that occur through Facebook or through phone texts. These are not just student issues as we also have a small number of parents who think it is ok to defame people in public.

I remind all our school community that under DECS we are now obliged to follow up any harassment that occurs on Facebook, even when it happens out of school hours.

Any form of Internet or Mobile phone harassment that occurs outside of school hours 8:45 to 3:15 pm School Days and over the weekend, that we (the school) become aware of either through reading the text message from a phone ourselves or seeing it in print, or; in the form of written harassment on My Space, Bebo, Facebook etc, we will contact both of the students’ parents and let them know of the information. We will make both parties aware of the ability to report this issue to the police.

Once it becomes a school harassment issue it will be dealt with through the harassment procedures as outlined in our harassment policy.

If you or your child have any concerns please don’t hesitate to call the Principal or school counsellors.

School Centre for Excellence
Moonta Area School along with Kadina Memorial, Port Broughton and Kadina Primary as a cluster have been successful in becoming one of the five School Centre’s for Excellence in South Australia. This initiative will provide funding to selected final year pre-service teachers, identified mentor teachers and the School Centres for Excellence sites to enhance
the quality of the pre-service teaching experience in sites prior to graduation.
DECS School Centres for Excellence will develop as educational communities with a focus on developing the participating pre-service teachers as a future local teacher. The placements will provide pre-service teachers with another opportunity to establish themselves as a contributing member of a diverse school network, experience a different context while working alongside experienced practitioners who are committed to building the expertise of tomorrow’s teachers. The program is scheduled to run during 2011, 2012 and 2013.

5 years starting age 2014
Please be aware that DECS has changed the arrangements for students starting school from 2014. There will now only be a single intake of students all starting at the beginning of the year.
Children who turn five BEFORE 1 May 2014 can start school at the beginning of Term 1 in 2014. Children who turn five on, or after, 1 May 2014 will start school at the beginning of Term 1 in 2015.

Students in yard prior to 8.30 am
A reminder to parents and caregivers that we have no formal supervision of the yard before 8.30am except for students who are attending the Breakfast Club. We have some students arriving as early as 8.00 am and we do not have the staffing to be able to adequately ensure their safety. I ask all parents to please ensure their children arrive at school between 8.30 and 8.45 am. Thank you for your assistance in this matter.

Country Athlete Award Scheme 2011
The Country Athlete Award Scheme is a scholarship program which assists junior athletes from rural areas to achieve their sporting potential. The financial assistance provided is to enable the athlete to access training and competition programs. Awards are granted each year to athletes between 14 and 18 years of age, living at least 130 km from Adelaide.
For further info contact SASI on 0874247617 or http://www.recsport.sa.gov/funding-scholarships/country-athlete-award.html
The following proposals will be discussed at the meeting held DATE: Monday 7th March 2011

Proposal One: RE Dates 2011 (Yrs R-6)
Proposal: Term 1 - 15th April, Term 2 - 8th July, Term 3 - 30th September, Term 4 - 2nd December.
Proposer: Di Daulby

Proposal Two: Dressing of the Graves
Proposal: Fiona Ryan’s Yrs 3-7 class participate in Dressing of the Graves Ceremony
Requirements from home: Kernewek Costumes
Date: 11th May 2011
Proposer: Fiona Ryan

Proposal Three: School Competitions
Proposal: To be held on the following dates:
  University of NSW - Computer Skills T2 Wk 4
  Tuesday 24/5/11, Science T2 Wk 6 Wednesday 8/6/11, Spelling T2 Wk 8 Tuesday 21/6/11, Writing T2 Wk 8 Tuesday 21/6/11, English T3 Wk 2 Tuesday 2/8/11, Mathematics T3 Wk 4 Tuesday 16/8/11.
  Australian Mathematics Trust – Informatics T2 Wk 3 Thursday 19/5/11, Mathematics T3 Wk 2 Thursday 4/8/11.
Proposer: Raelene Stutley

Proposal Four: K/Out Netball & Football Yr 6/7
Proposal: Selection for SAPSASA Netball & Football
Requirements from home: Sports Uniform
Cost: School bus & Parent cars
Date: 11th April 2011
Proposer: Sally Hackett

Proposal Five: Ski Trip
Proposal: MAS offer a Snow trip to Mount Buller
Requirements from home: Details to follow
Cost: Details to follow
Date: 17/7/11 to 23/7/11
Proposer: Dean Angus

Proposal Six: Changing R-12 Assemblies
Proposal: Assemblies for T3 & 4 be held on Friday in Wk 4 & 9
Proposer: Margaret Pope

Proposal Seven: R-6 Action Group
Proposal: Training Day
Cost: Nil
Date: 15th March 2011
Proposer: Margaret Pope

Proposal Eight: Kadina Choir Trip
Proposal: Annual Choir Assessment
Requirements from home: Choir Book & Water bottle
Date: 5th April 2011
Proposer: Maureen Ashby

Proposal Nine: Kernewek Lowender Maypole Dance
Proposal: Participate in Maypole Dance
Requirements from home: Kernewek Costumes
Date: 13th May 2011
Proposer: Maureen Ashby

Proposal Ten: Kernewek Lowender Dressing of the Graves
Proposal: Choir to sing at each nominated grave
Requirements from home: Kernewek Costumes
Date: 11th May 2011
Proposer: Maureen Ashby

Proposal Eleven: MS Read-a-thon
Proposal: CH, RH & SP to participate in the MS reading fundraiser
Requirements from home: Fundraising
Date: June 2011
Proposer: Chelsea Honner

Proposal Twelve: Exodus Multi-Screen Production
Proposal: Message relating to Well Being
Date: 23rd May 2011
Proposer: V Ivens

Proposal Thirteen: CSIRO Visit
Proposal: MAS invite Lab on Legs - How scientists investigates
Proposer: Kerry Crosby

Proposal Fourteen: Music is Fun Band
Proposal: Performance for Yrs R to 10/11
Date: 2nd June 2011
Proposer: Di Daulby

The following proposals were approved at the meeting held DATE:

1. MAS Cross Country – To be held on the 20th May 2011 (Wk 3)
2. District Athletic Day – Students aged 10 to 13 years participate in District Athletics Day on Wednesday 23rd May 2011
3. SAPSASA Cross Country – To be held on the 9th June 2011
4. Yr 10 Camp to Stenhouse Bay – Annual event to be held on 5th December to 8th December
5. Yr 10 Twenty 20 Cricket – Participate in K/O Cricket on the 28th February
6. Yr 8/9 K/O Cricket – Compete in K/O Cricket carnival on 24th February 2011
7. Yr 10/11 Students Financial Literacy Session – Students participate in Start Smart Rural Workshop 25th March 2011
8. Yr 10 Youth Expo – Students to attend Youth Expo on 8th April 2011
9. Kindy Transition dates - 17/3 8:30-10:35 (wk 7), 24/3 8:30-10:55 (wk 8), 31/3 8:30-12:40 (Wk 9), 7/4 8:30-1:10 (wk 10), 14/4 8:30-3:05 (wk 11).
10. Yr 8/9 Sam Davis – Students to attend session on 25th February 2011
11. Clean Up Australia Day – R-Yr 10 students to participate on 4th March 2011
Parent Information and Acquaintance Night
Thank you to the parents who came along to the Yr 10, 11 and 12 Parent Information sessions on Thursday Feb 17th. It was pleasing to see that so many parents were both supportive and interested in their children's education.

We hope that you now have a better understanding of the expectations and what's in store for your son or daughter and that you feel comfortable in approaching the teachers with any concerns, or for more information. If you still have some unanswered questions or you would just like to touch base, please don't hesitate to contact us. In conjunction with a positive attitude and work ethic, a strong line of communication between parents, teachers and students is essential for a student's success.

Student Success
Success can be measured in many ways and one of those is looking at what a student goes to when they leave school. Gaining employment, attending TAFE or beginning university are all indicators of success.

As a result of last year, 5 Yr 12's will begin university courses, 3 will attend full time TAFE in Adelaide and 14 are employed.

Six Yr 11’s gained employment and 30 returned to school to undertake Yr 12, while 2 Yr 10’s began their working lives and 27 returned to school. Only 2 of 92 students are still seeking employment. 99% of Moonta’s Senior School students achieved success and that’s really pleasing. We look forward to another successful year in 2010.

Parenting Adolescents
Communication, getting along, and sharing what works with other parents. Wednesday March 30th, 1pm – 2:45pm at the Kadina Community Library, Doswell Tce, Kadina. Please book on 88230270. Presented by the Yorke Peninsula Youthworkers, Network and local health professionals.

Congratulations to the following students who have already completed the Challenge – less than a week after they received their sheets.
First in – Joshua Chambers (Mrs. Perkins)
Second – Kirra Hettner (Mrs. Hutchins)
Third – Jacob Chambers (Mrs. Hettner)
Also completing the Challenge Harry Williams, Ruby Markham, Claudia Hatcher (Mr. Camporeale)
Well done to Ruby Markham for winning this week’s $10 voucher for Moonta Newsagency.
As a way of encouraging students to be involved, the library staff has come up with a few incentives.
Individual: As the Challenge is completed, student’s names are written in the newsletter and their names placed in a lucky draw for a $10 voucher. This can be used to purchase books, magazines, or goods at the Moonta Newsagency. Donated by School Library.
Class: The first class in R-2, 3-6 and Mid School (English classes) to finish the Challenge can have a PE lesson with Mr. Angus.
Whole School: When we reach 150 students every student will be able to have a Super Duper iceblock. We are also looking at getting one of the PRC ambassadors here for a visit, either to encourage participation or to present the awards in November.
Movie Day: When we reach a target of 275 or more, those students who have completed 'The Challenge' can have a movie session. To assist with numbers and cost, R-2 students would watch a new movie in school gym and Yrs 3 – 12 students would attend a suitable new release movie at the local cinema.

Students who successfully complete the challenge will have their names included fortnightly in MAS Media. So take up the Challenge, have fun reading and let’s break the record again! Mr Steele & Mrs Stringer.

Mark Le Messurier
Kadina Primary School will be presenting a come back from MARK LE MESSURIER Monday 23rd May 2011 (Term 2, Week 4) 1 -2 pm  Sibling Rivalry 7pm - 8pm Building Better Behaviours If you missed out on coming along last time, don’t miss out again!!!! And those that came last time…… I know you won’t want to miss out this time either! What a fantastic speaker. He is very down to earth, entertaining and gives really practical advice. So, put this date in your diary, and wait for more information coming soon!

Middle School 8/9s - "Youth against Violence" Presentation

On Friday the 25th of February we welcomed representatives from the Sammy D Foundation including the parents and some friends of the late Sammy D. The whole foundation started because of one decision made by one young man that had devastating consequences and in turn affected thousands of people.

Sam was an outgoing, gifted sportsman who loved life. He was a treasured son, grandson, nephew, cousin and friend. At 17 he was playing for the SANFL junior squad and was about to be drafted to an AFL team. Life was perfect.

In May, 2008 Sam went to a friend’s birthday party, was involved in a fight and received one punch to the back of his head. This one punch snapped one of the major vessels to his brain and he died the next day in the hospital where his own mother was a nurse. 1700 people turned up at the funeral.

The family are striving to make as many young people as possible, aware of the consequences of their choices. They want teens especially to be aware of violence in our community and to plan how they intend to keep themselves and their mates safe.

For more information, or to volunteer your support, go to sammydfoundation.org.au

"Do not ever hit someone around their head.” Willis

"Tell someone, don't get involved.” Brody

“It was really hard to hear parents talk about losing their son.” Rhyan

"It's made me think twice about drinking.” Ryan

“The smallest choices can have the biggest consequences.” Sarah and Teekah

“The parents were so brave after what happened to them.” Courtney

“Violence is never the right thing to do.” Lee
Thank you to all the parents and families that came to our Acquaintance night last week. We had a school full of parents, students and staff participating in conversations about their children and the school. If you were unable to attend that night and have not met your child’s teacher then I encourage you to do so. As I have said before, education of your children is a partnership in which we all have key parts to play. An open line of communication between parents and teacher is vital to that partnership – Dean Angus.
Possible Trip to Japan for Moonta AS Students

Medai High School near Tokyo visit us each year with a group of their Year 10 students. They are now offering the possibility of hosting some of our students (Yr 9 up) and some from the other three regional schools involved. That is Kadina MHS, Balaklava HS and Clare HS. Accommodation, meals and excursions would be covered by Medai HS. Our students would need to cover airfares and personal spending money.

This is still in the early days of discussion and is unlikely to happen this year. Medai staff are checking to see our interest before further planning takes place. Please return the tear off slip if you are interested. This is not a commitment at this stage but means I can then let you know as I get more information.

Tricia Stringer

_____________________________ in Year _______ is interested in the possible trip to
Student name

Japan either later this year or late next. Our family would like to be kept informed.

Parent Name                                         Parent Signature
Our class has been learning about Weather.

The word wall has all the words we have brainstormed about Weather. We are adding new words as we learn more.

We made weather pictures using cotton wool for clouds and alfoil for lightning. Some people glued sand on for the ground and cellophane for water.

We use these symbols for weather characteristics:

We have been checking the weather (rain, wind and temperature) on the internet. The map shows us the cyclones near WA. We checked each day where it was moving and how it changed.
Each year Moonta students are invited to compete in a variety of National School Competitions. Most of these competitions are held in the middle of the year, but nominations are due soon. These competitions are administered Australia wide and give children the opportunity to challenge themselves and their knowledge and understanding in various areas. Students achieve recognition through the awarding of distinction, credit and participation certificates. To enter any of these competitions, please complete the relevant portion of the attached entry form and return it to school with the entry fee by **Friday 1st April** (Week 9).

Competitions run by the University of NSW are:

- **SCHOOLS COMPUTER SKILLS COMPETITION**
  To be held on Tuesday 26th April    Students Years 3-10    Entry Fee: $7.70 (GST inc)

- **SCHOOLS SCIENCE COMPETITION**
  To be held on Wednesday 11th May   Students Years 3-12    Entry Fee: $7.70 (GST inc)

- **SCHOOLS SPELLING COMPETITION**
  To be held on Tuesday 24th May     Students Years 3-7      Entry Fee: $11.00 (GST inc)

- **SCHOOLS WRITING COMPETITION**
  To be held on Tuesday 24th May     Students Years 3-12    Entry Fee: $16.50 (GST inc)

- **SCHOOLS ENGLISH COMPETITION**
  To be held on Tuesday 5th July     Students Years 3-12    Entry Fee: $7.70 (GST inc)

- **SCHOOLS MATHEMATICS ASSESSMENT**
  To be held on Tuesday 19th July    Students Years 3-12    Entry Fee: $7.70 (GST inc)

Competitions run by the Australian Mathematics Trust are:

- **AUSTRALIAN INFORMATICS COMPETITION**
  To be held on Thursday 19th May    Students Years 7-12     Entry Fee: $5.50 (GST inc)

- **AUSTRALIAN MATHEMATICS COMPETITION**
  To be held on Thursday 4th August  Students Years 3-12    Entry Fee: $5.50 (GST inc)

If you wish to enter your child in any of the above competitions please circle in the list above and return the completed form, with money, to the school's front office by the due date, **Friday 1st April** (Week 9).

Any Changes?

If any family has changed their address or phone numbers over the holiday break, could you please notify the school?
It is very important that our information is updated in case of an emergency.
Thank you for your assistance.

Sports Day - Chicken Platters

Chicken Platters will be available for lunch or tea on Sports Day. Platters for four people, with a 2L drink.
Cutlery and cups supplied. Please place your order through the canteen by Tuesday 8th March. A variety of food will also be available on the day.
Contact Tracy on: 0427973829.

Sports Day Hairspray
Red, green & blue hairspray colours available from Wendy's Hair Bitz, Moonta.
Moonta Football Club
Junior Colts Training
Training for the 2011 season for the junior colts will be held on Tuesday and Thursday afternoons, commencing on Tuesday 8th March 2011 at the town oval from 4:30 pm until 5:30 pm. All eligible and intending players aged 14 and under are urged to attend, for more information contact Andrew Pearson on 0419 871 226.

Auskick Training
Training for the 2011 season for the Auskick will be held on Thursday afternoons commencing on 31st March from 4:30 – 5:30 pm at the town oval. All children welcome (boys & girls).

I would like to thank Lyndon Elsworth for the great effort he has put in these last few years, well done Oiggie.

See you all there, Phill Smith.

Keyboard Lessons for 2011
There are limited spaces for keyboard lessons for students in Years 3 and 4. Please contact me 88253008 or 0409283305. The closing date for students to start lessons is 4th March 2011. Michele Giesecke – Keyboard / Piano Teacher.

Moonta Basketball Club Juniors and Seniors windup
Monday 28th March at the Moonta Football Clubrooms, 6 pm for a gold coin donation tea followed by presentations.

Moonta Cricket Club Junior and Senior Colts windup
Wednesday 16th March at Football Clubrooms, 5:30 pm start with gold coin donation for tea.

The need for Musicians Plugs – Sound Words from your local Hearing Specialist
The hair cells in our cochlear that allow us to hear are very fragile and noise exposure is one of the biggest threats to our hearing. While music is truly a wonderful asset in our lives, it does worry me when I see our teenagers in bands and at music practice without adequate hearing protection. I cannot stress enough the potential and irreversible damage this can have on their ears. As an audiologist I feel it is important to get the message out to all parents of children who are exposed to music that an investment in professionally made musician’s plugs is a very responsible and wise decision. Musician’s plugs are custom made, rather than bought off the shelf, and therefore fit very comfortably. The complex laboratory structure of them allows those who wear them to hear what they need to hear while attenuating or weakening the dangerous inputs. This can substantially reduce the risk of permanent hearing damage. If your child regularly plays a musical instrument, jams in bands, or attends rehearsals regularly, then call my clinic to have a set of custom made musicians plugs made. Call Chris Laird’s YP Audiology on 88213355 - Chris travels across the peninsula and will be able to help no matter where you are located.
