MAS Sports Day
What a great day, well done Flinders......
Moonta Area School students are to be congratulated for their efforts and attitude to the Sports Day. It was great to see so many students trying their hardest in both the individual and team events, supporting and cheering on their team, encouraging individuals and filling in wherever they could. Their behaviour on the day was excellent. It shows what quality students we have.

A huge thank you to Kris Daddow, Raelene Stutley and the members of the Sport & Recreation Committee for all they did to bring about the Sports Day. It certainly ran very smoothly, and this is of course due to all the quality planning and preparation before the event.

Thank you to the Early Years Team for all they did in ensuring all our Reception, Year 1 and 2 students had a great Moonta Area School Sport’s Day.
Thank you to all the staff of Moonta Area School for all the hard work they put in prior to and on the day. They started the day at 8 a.m. and were still packing up at 8 p.m. that night. Every single staff member has specific roles on the day and I publicly thank them for their efforts in supporting Sport’s Day.

To our parents and wider school community, a huge thank you for your support and encouragement. We had a lot of parents volunteer to help at all the different athletic events as well as in the canteen and on the Governing Council BBQ.

The fact that we had a huge majority of our school population turn up on the day, well prepared, and willing to stay right to the end, says a lot about the support we have at the school.

Thank you also to the other community groups who supported us with tents, shades and other requirements.

Congratulations to all. Bring on Interschool, which this year will be held at MAS on Tuesday 29th March.

Student Voice
On Friday the 4th March we had a very successful Student Voice Induction ceremony. It was pleasing to see an increased number of students nominate for leadership positions within the school, and we sincerely value the contribution that they will make to school life during this year. Congratulations to Sean McMahon and Alice Raunic who were elected Senior School Captains, and to Cassie Norman and Jordan Barratt who are the Junior School Captains.

I also wish to publicly acknowledge all the members of the Student Voice Executive and all members of the R – 6 Action Group. It is great to see you taking on a leadership role in the school, both you and the school will benefit from this.

Congratulations to all our House Captains and Vice Captains, for Eyre, Flinders and Monterra.

Thanks also to all the parents and family members who came to see the induction; it was great to see you there and I’m sure the students really appreciated your attendance. I must also thank the students and staff at Moonta Area School. The students displayed excellent listen skills throughout the ceremony, showing their understanding of the importance of the occasion. Staff coordination, flexibility and support leading up to and including the day were exemplary.

Finally, thanks go to our special guest, Dr Alison Edwards, for her words to the student body, our Mayor, Mr Paul Thomas, student leaders, and Ms Margaret Pope for all her work in Student Voice selections and in organising the Assembly.

Governing Council AGM
The Moonta Area School AGM of the Governing Council was held last Wednesday the 2nd March. We would like to welcome and thank the following for their commitment to Moonta Area School in being on our Governing Council for 2011.

**Travis Skipworth**  Chairperson/DMC/Site Improvement  
**Tony Dunn**  Deputy Chairperson/Treasurer  
**Libby Williams**  Secretary  
**Greg Smith**  Sasso  
**Lyndon Elsworth**  Grounds  
**Meredy Shipard**  DMC/Site Improvement  
**Anne Jolly**  Canteen/OSHC  
**Sue Moss**  Library  
**Tracy Cutting**  DMC  
**Michael Buck**  Finance  
**Sue Ferguson**  
**Wendy Hutchinson**  
**Julie Wardle**  
**Craig Cross**  
**Sue Barry**  Kindy Rep/Well Being  
**Adrian Hatcher**  Local Gov Nominee  
**Michele Appleton**  Aboriginal Parent Community Voice  
**Janice Sawdy**  Aboriginal Parent Community Voice  
**Dean Angus**  
**Adele Kehler**  
**Judy Van Galen**  

We would like to acknowledge the support of retiring members Mark Templar 2000- 2011, Elise Barrat 2009-2011 and Sandy Madden 2002-2011 and thank them for their service to Moonta Area School.

R-6 Parent/Caregiver Interviews
Information will come home shortly in regards to parent/caregiver interviews. I encourage all parents/caregivers to take this opportunity to speak to your child’s’ teacher and discuss their progress so far this year. If you are unable to come in and see the teacher at the times scheduled please contact that teacher and make alternate arrangements.

Education is a three way process and we need to ensure we work together in improving the educational outcomes of all Moonta students.

Reading to Children
Reading is one of our main improvement priorities on our Site Improvement Plan. It is also probably the most important skill our students need and one that can make the most difference to all our children’s lives. At MAS we are working in many areas that are designed to improve the reading ability of our students. Over the next few issues of MAS Media, I will outline some of the strategies we are using to bring about this overall improvement of students’ reading ability.
As a parent I can’t impress upon you enough the critical importance of reading every day with your child (note I didn’t simply say ‘listen to your child”).

This can involve –

• Predicting or telling the story based on pictures
• Reading in one voice (theatre reading)
• Using post it notes to hide certain words to encourage prediction
• Critically for developing readers, re-read the same text and develop fluency, expression
• It’s ok for all ages for the parent to skim read and summarise the text (for less able readers, this provides a rough map of the text)
• It’s ok to introduce some challenging words you have found in the book and ‘teach’ them beforehand
• Summarise the book – who were the characters, where was it set? What other books/movies did it remind you of.

Have fun sharing books with your kids. If they haven’t seen you read a book, you have already impressed upon them a powerful lesson (maybe not the one you intended).

Karen George, an Art teacher based in Kadina, has been working with 16 of our students from years 5, 6 and 9 over two full days recently, to produce mosaics. The project has been funded through the District Council of the Copper Coast and through Youth Development Funding.

The project is being run in several schools, each school contributing to the finished product. The students worked in small groups producing mosaic fish which will be displayed in a suitable location in the Copper Coast. The mosaics are of fish caught in the local area.

The two days were most successful as indicated in the comments made by students at the end of the two days:

“Me and my friend Ruby chose a gar fish and it took us about half the day to do it. It was really fun. I hope I have another great opportunity like this again. Karen is really good and I hope I get to see her around the place. Thanks Karen I had a great time”
Tabitha McCulloch Year 5

“I loved doing the Art mosaic. It was fun and enjoyable. If I got another chance to do this I would. Karen was fabulous to work with. It was great fun cutting and sticking tiles. Some parts might be a bit hard but it was all worth it when it was finished.”
Rebecca Stock Year 6

“It looked really easy at the start but it is challenging. Me and my partner Tabitha finished it in no time and then we had to grout it and that was tricky! All the people were friendly and nice and we had a great time. I hope we can do it again”. Ruby Markham Year 5

Congratulations to the following students for completing their Premiers Reading Challenge sheets.

Maddison Shields, Brock Elsworthy, Michael Musolino (Mrs. Hier)
Tahlia Woodward, Jasmine Crocker, Brooke Keywood, Harley Simms (Mr. Camporeale)
Sarah Jolly, Brichelle Cross (Mrs. Jarman)
Louanna Bagshaw (Mrs. Hutchins)
Nick Stewart, Alisha Mann, Tayla Allen (Mrs. Strauss-Scott)
Lily Steele (Mrs. Perkins)
Brayden Elvin (Mrs. Honner)
Mark Francis (Mr. Hall)

Well done to Ruby Markham for completing Beyond the Challenge.

This week’s $10 Newsagency voucher goes to Brichelle Cross

Remember to keep them coming in and have a look at your photos up in the library.

INVITATION TO OFFICIAL OPENING OF NEW BUILDINGS: We extend an invitation to all parents and friends of the school to the official opening of our Classroom Block and Language centre provided by the Federal Government’s Building Education Revolution (BER) Programme. This will occur at 9.00am sharp this Friday (March 18th) on the lawn adjacent to the new buildings. (In the event of unsuitable weather the opening will take place in the gymnasium). The opening will be done by Senator Annette Hurley, Senator for South Australia.
The following proposals will be discussed at the meeting to be held on: **Monday 21st March 2011**

**Proposal One: Student Voice Leadership Training**

Proposal: The Student Voice Leadership training days be held at Wallaroo Sailing Club, Port Hughes & at the school.

Requirements from home: None

Cost: None

*Date:* Wednesday 30th March & Thursday 31st March 2011

*Proposer:* Margaret Pope

**Proposal Two: Steam Island Performance**

Proposal: FR, KS-S, FC, CH, RH, SHA, MH classes attend the Steam Island Performance

Requirements from home: None

Cost: None

*Date:* Wednesday 6th April 2011

*Proposer:* Margaret Pope

The following proposals were approved at the meeting held on: **Monday 7th March 2011**

**Proposal One: RE Dates 2011 (Yrs R-6)**

Term 1 - 15th April, Term 2 - 8th July, Term 3 - 30th September, Term 4 - 2nd December.

**Proposal Two: Dressing of the Graves**

Fiona Ryan’s Yrs 3-7 class participate in Dressing of the Graves Ceremony

**Proposal Three: School Competitions**

To be held on the following dates: **University of NSW** - Computer Skills T2 Wk 4 Tuesday 24/5/11, Science T2 Wk 6 Wednesday 8/6/11, Spelling T2 Wk 8 Tuesday 21/6/11, Writing T2 Wk 8 Tuesday 21/6/11, English T3 Wk 2 Tuesday 2/8/11, Mathematics T3 Wk 4 Tuesday 16/8/11. **Australian Mathematics Trust** – Informatics T2 Wk 3 Thursday 19/5/11, Mathematics T3 Wk 2 Thursday 4/8/11.

**Proposal Four: K/Out Netball & Football Yr 6/7**

Selection for SAPSASA Netball & Football

**Proposal Five: Ski Trip**

MAS offer a Snow trip to Mount Buller

**Proposal Six: Changing R-12 Assemblies**

Assemblies for T3 & 4 be held on Friday in Wk 4 & 9

**Proposal Seven: R-6 Action Group**

Training Day

**Proposal Eight: Kadina Choir Trip**

Annual Choir Assessment

**Proposal Nine: Kernewek Lowender Maypole Dance**

Participate in Maypole Dance

**Proposal Ten: Kernewek Lowender Dressing of the Graves**

Choir to sing at each nominated grave

**Proposal Eleven: MS Read-a-thon**

CH, RH & SP to participate in the MS reading fundraiser

**Proposal Twelve: Exodus Multi-Screen Production**

Message relating to Well Being

**Proposal Thirteen: CSIRO Visit**

MAS invite Lab on Legs - How scientists investigates

**Proposal Fourteen: Music is Fun Band Performance for Yrs R to 10/11**

The cricketers have been busy early this term competing in the Year 8/9 knockout cricket and the Year 10 Twenty20 knockout cricket competitions run by Secondary School Sport SA. The Year 8/9 team played their round one match against Kadina Memorial High School at Wallaroo. Batting second the boys fell short of the runs scored by Kadina but were able to bat out their overs and competed very well all day against older and more experienced opponents. The Year 10 boys played their match against Balaklava High School at home on the school oval. The boys made their mark on the game by scoring a very impressive 136 in their twenty over bash with Tyler Andrews leading the way with an impressive 78 not out. The bowlers also came to the party with an impressive performance that was well supported in the field. Josh Ritter was the best of the bowlers taking 4 for not many. The boys came out the victors by 68 runs and will now play Renmark in the coming weeks after progressing to round 2. Well done to all.

Zac Butler, who captained the 8/9’s, on his way to team top scorer with 20 runs.
The first few weeks of school have been busy with panels making decisions about who will be members of the 2011 Student Voice Executive, School Captains and Vice Captains and Junior School Captains. The Student Voice Executive had to write an application stating their reasons for wanting to be on this committee. After much round table discussion the final people were chosen. The Student Voice Executive students met and Jaymee Matthews, Tianna Sansbury and Harry Love were nominated to be on the panel to choose the Senior Captains and Vice Captains and Junior Captains. Students wishing to be considered for these roles presented themselves to the panel with a 3 minute speech about themselves, giving examples of the qualities and skills they had to take on the role. The panel asked questions to each applicant and it was the answers to these questions that influenced the final choice. The School Captains, Vice Captains and Student Voice Executive were presented to the School Community at the Induction Assembly on Friday 4th March. Our special guest, Alison Edwards a doctor from Port Broughton spoke to the students about stepping out of their comfort zone, taking on challenges and seeing setbacks, not as failure but as a stepping stone for personal improvement. She highlighted that challenging yourself is part of life’s experiences and Alison related it to learning to throw a ball. After her talk she presented the students with their badges.

We would like to thank all students who nominated and those who were not successful to try again next year. It was great to see such interest by the students who wanted to be involved in the important role of student decision making.

R-6 Action Group
For Semester 1, two students from each Reception to Years 6 class represent their class at fortnightly meetings. They bring information and issues from their class meetings to the R-6 Action Group fortnightly meetings and likewise report to their class after each meeting. The R-6 Action Group is part of the school’s process to encourage students to take on responsible decision making. The process of selecting these students varied from class to class. The representatives from the classes were presented to the School Community at the Induction Assembly on the 4th March. The Mayor, Mr Paul Thomas presented the badges to these students.
Science-Primary Connections

Once again teachers will be using the Primary Connection resources as a part of their planning for science this year. The expectation is for Year 4 to Year 7 students to be spending a minimum of 120 minutes per week on science. Year 3 students are to be spending a minimum of 90 minutes per week and by the start of 2013, Reception to Year 2 students will be spending a minimum or 90 minutes per week on science.

As a part of this curriculum expectation it has been a good opportunity for teachers to start using the Primary Connection resources. My class have been looking at earthquakes using the ‘Earthquake Explorers’ Primary Connections Science Box. With the recent earthquakes that have been occurring, it has been a good opportunity for students to start developing their knowledge and understanding on such destructive natural disasters and the impact they have on the earth.

Mr Hall’s Year 5/6 class have been investigating various areas of forensic science including, finger printing, properties of various powders, blood splatter patterns, lip printing, sketch artists, handwriting analysis and human corpse temperatures.

Students have undertaken a number of experiments which have enabled them to experience some of the techniques used by forensic scientists to investigate crime scenes. In one of the pictures below you will see evidence of their class participating in blood splatter experiments using fake blood.

**Family Maths Challenge 3 - TUESDAY 1ST MAY 2007**

Did you know that the 1st May is the only first day of the month in 2007 which falls on a Tuesday?

Add together the dates of all the Tuesdays in May this year. Which day of the week has the largest sum of dates in May?

**Family Maths Challenge 2 – Answer**

1. a) 153.5cm, b) 152cm, c) 149.5cm, d) 146cm
2. 142.5cm
WINNING STREAK CONTINUES

Despite windy, overcast conditions FLINDERS continued its dominance with another convincing win at our annual Interhouse Sports Day. The competition throughout the day was keen, enthusiastic and encouraging. Commitment to participation was high and the supportive atmosphere of student to student was very evident. Congratulations go to all who were involved and all aspects of the day were outstanding. The house areas and surrounds looked fantastic and the colour and pride displayed by students was of the highest level. All teams showed great sportsmanship and were committed to giving the day their best effort.

The final scores were:

CONGRATULATIONS Flinders and well done to Eyre and Monterra

We would like to thank:

- The parents and staff who lent shades.
- The School Canteen for providing lunches, snacks and drinks.
- Year 7 classes for providing drinks
- The Governing Council for their BBQ.
- All the teachers for helping with training and marshalling events.
- All parents and students who helped at events and at the food venues.
- NYP Little Athletics and Lyndon Elsworthy for the use of the electronic timing equipment at the finish line.

Without these people the day would not have been possible. The biggest thanks would have to go to the students for their participation in making the day a very successful event.

Congratulations go to the following students who broke existing records:

- U8B Three-legged Race: Rhys Stodulka 7.56s
  - Sean Van Der Veen 8.65m
- U12G Shot Put: Samara Elsworthy 21.00m
- U13G Javelin: Ellie Turner 23.08m
- U13G Triple Jump: Ellie Turner 26.83m
- U14G Javelin: Chelsea Fisher 23.88m

Our individual winners are listed and we congratulate all the winners, runners up and participants.

The “Travis Skipworth House Cup”, is a trophy intended to acknowledge the positive actions and relationships between the teams. Points were allocated throughout the day, using the following criteria: team spirit, colour of both house area and students, the sporting attitude of team members and the cleanliness of their area. This year the efforts of all house captains and other supporters from the student body in setting up the house areas and continual encouragement throughout the day were superb.

Congratulations go to EYRE, with their winning streak of this trophy continuing.

The final scores were:

- Eyre 470
- Flinders 410
- Monterra 375

Teams have now been selected for the Yorke Peninsula Secondary Schools Athletics Carnival, comprising teams from Ardrossan, Kadina, Maitland, Minlaton, Port Broughton/Snowtown, Yorketown and Moonta. This Interschool competition will be held on Tuesday 29th March, with Moonta hosting for their first time. Congratulations go to all of those students selected, with best wishes for their continued success.
Year 10 DED Waterskiing Camp

Semester 1 2011

Lake Bonney
Each year Moonta students are invited to compete in a variety of National School Competitions. Most of these competitions are held in the middle of the year, but nominations are due soon. These competitions are administered Australia wide and give children the opportunity to challenge themselves and their knowledge and understanding in various areas. Students achieve recognition through the awarding of distinction, credit and participation certificates. To enter any of these competitions, please complete the relevant portion of the attached entry form and return it to school with the entry fee by **Friday 1st April** (Week 9)

Competitions run by the University of NSW are:

- **SCHOOLS COMPUTER SKILLS COMPETITION**
  To be held on Tuesday 24th April  Students Years 3-10  Entry Fee: $7.70 (GST inc)

- **SCHOOLS SCIENCE COMPETITION**
  To be held on Wednesday 8th May  Students Years 3-12  Entry Fee: $7.70 (GST inc)

- **SCHOOLS SPELLING COMPETITION**
  To be held on Tuesday 21st June  Students Years 3-7  Entry Fee: $11.00 (GST inc)

- **SCHOOLS WRITING COMPETITION**
  To be held on Tuesday 21st June  Students Years 3-12  Entry Fee: $16.50 (GST inc)

- **SCHOOLS ENGLISH COMPETITION**
  To be held on Tuesday 2nd August  Students Years 3-12  Entry Fee: $7.70 (GST inc)

- **SCHOOLS MATHEMATICS ASSESSMENT**
  To be held on Tuesday 16th August  Students Years 3-12  Entry Fee: $7.70 (GST inc)

Competitions run by the Australian Mathematics Trust are:

- **AUSTRALIAN INFORMATICS COMPETITION**
  To be held on Thursday 19th May  Students Years 7-12  Entry Fee: $5.50 (GST inc)

- **AUSTRALIAN MATHEMATICS COMPETITION**
  To be held on Thursday 4th August  Students Years 3-12  Entry Fee: $5.50 (GST inc)

If you wish to enter your child in any of the above competitions please circle in the list above and return the completed form, with money, to the school’s front office by the due date, **Friday 1st April** (Week 9)
