Upcoming Events:

**Thursday 31st March**
Kindy Transition
Student Voice Training Day

**Monday 4th April**
DMC – 5pm

**Tuesday 5th April**
Yr 11 Outdoor Ed Camp 5th–8th
Choir Trip – Kadina

**Friday 8th April**
R-12 Assembly

**Monday 11th April**
Mile End Athletics
K/O Netball & Football 11th-15th

*Please view the complete Calendar on the back page.*

**New Building Opened**
Our new building development is now officially open. Last Friday we held the official opening of our new primary teaching area and our Language Centre. Senator Annette Hurley was the official guest along with other DECS and building representatives who were provided a tour of the buildings and a lovely morning tea courtesy of our own Hospitality students.

**Listen & Respond SWOT Analysis**
It has been 3 years since our last SWOT analysis; which stands for strengths, weaknesses, opportunities and threats. It is critical that we, as a school, take the time to listen to all members of the school community, including all students, staff and parents. All students will be surveyed at school but we have asked them also to talk to their parents, about what they like about the school, dislike, changes they would like to see plus any other issues they may have.

I encourage you to complete the very brief SWOT analysis that was sent home to you. If your child did not bring one home, please contact the school to organise a replacement copy.
The analysis supports us to ensure that staff are alert and responsive to current and future needs of learners and as a school we are responsive to emerging stakeholder issues, needs or priorities.

I will share the findings of the SWOT analysis in future editions of MAS Media.

**Bully Audit**

As a school we are determined to ensure that all students at Moonta Area School have a right to an education that is free of Harassment or Bullying. The Well Being team have reviewed all Bullying Policies over the last 2 years and are continuing to put proactive programs in place to reduce the amount of bullying and harassment at school.

Part of this is our Bully Audit that we complete twice a year for both students and parents. This term we are concentrating on parents of students in Years 3 to 6, who were all sent a parent survey, with an option to respond. If you have any concerns, or your child has concerns re Bullying and Harassment please contact the school. If we know what is going on we will deal with the issue but we are unable to respond if we are not told or are not aware it is happening.

**Student progress**

It was great to see so many parents taking the opportunity to have parent interviews. By this time of the year teachers are able to give some explicit feedback about your child’s learning and progress. I have asked all teachers to ensure they make contact with parents whose students may be failing or having difficulties in their subject area.

Action for these students needs to be taken sooner rather than later, and change is most effective when teacher and parent are working in partnership.

Written reports for students in Years 7 to 12 will go home on the 15th April.

**Dropping off students**

I ask all parents to please follow correct and lawful procedures when dropping off students and picking them up. Some of our concerns are around:

- Parents who park next to the school crossing on Blanche Tce., in a clearly marked ‘No Standing Zone’ and stop to drop off students. This is both illegal and unsafe.
- A few parents are also using the Community Library car park as a drop off zone. This area is clearly marked ‘NOT A DROP OFF ZONE’. This area has cars coming and going, backing out on a regular basis. It is not a safe place to drop students off and we ask all parents to ensure they set a good example for MAS students and please follow correct and lawful procedures.

This has been discussed at Governing Council who are looking at ways of dealing with this issue.

Your immediate and continued support in this matter would be greatly appreciated.

**Uniform - NO STRIPES PLEASE**

I thank parents for their continued support in ensuring all Moonta Area School students are in the correct uniform. Great to see so many girls in our new school dress. With the cooler weather approaching, students will change to long pants, jumpers etc. This can often be a time where standards slip. We have a range of good clean second hand clothing available at the school if parents wish to access this.

**Hats**

The cooler weather has made a nice change, but I remind all students and parents that as a Sun Smart school the wearing of hats is a must whilst outdoors. It is great to see most of our students doing the right thing without having to be reminded.

Well done.

**NEiTA Australian awards for teaching excellence**

Our school has been invited to submit nominations for the NEiTA 2011 ASG Inspirational Teaching Awards program. The awards program provides a rare opportunity to publicly recognise and encourage our outstanding teachers and give them a well deserved pat on the back. It’s the only independent national awards program where school communities – school councils, individual parents can nominate teachers and principals who contribute excellence.

Forms are available online at www.neita.com.au or requested from the NEiTA Secretariat by phoning free call 1800 624 487.

**Student medication**

The management of students’ medication is one that requires good communication between parents and the school. School staff can store and supervise only medication that has been prescribed by a doctor for an individual student, for the period of time specified.

Analgesics and other medications, which can be purchased over the counter without a prescription, should also be prescribed if staff members are asked to supervise their use. It should be noted that analgesics can mask signs and symptoms of serious injury or illness and should not, therefore, be used by school staff as a first aid strategy.

It is preferable that medication be given to students at home. For example, medication required 3 times a day is generally not required during the school day: it can be given before and after school, and before bed time. This minimises the quantity of medication held on site.

We also require that older students do not carry their own medication, as this can create a situation where there is potential unsafe access to the medication by other students. An exception to this is asthma medication, which is often required...
immediately to relieve symptoms. For school staff to safely store medication, the medication must be:

- Prescribed by a doctor
- Provided by the parent or guardian
- Within the expiry date of the product
- Delivered to staff as a daily supply (or a week’s supply at most)
- Provided with written instructions from the parent, guardian or doctor

**Advanced Notice**
Pupil free day Friday 20th May

Regards
Dean

---

### Principal's Desk continued...

### Breakfast Club

Monday – Friday 8.00-8.40am in the Drama/OSHC Room

I would like to thank Moonta Foodland who donated the bread we use for toast, the Cunliffe Uniting Church, CRC Lighthouse Ministries Moonta, and The Congregation at Moonta for their donation of cereal, spreads, Milo and milk and particularly Rob Martin our School Chaplain for organising donations as well as individuals who have donated cutlery, mugs, storage containers, and jam. (The children love the homemade jams). The donations allow the children to have toast and /or cereals plus a warm chocolate drink. The children pay 20c or bring along some empty recyclable cans.

Since the beginning of week 3 attendances have been worth all the effort. Chris, our regular adult helper, cooks the toast but the children spread their own. Lee, our regular student helper prepares the warm drink for students. All students sit and eat at tables in the OSHC Room and are supervised until 8.30am. Students have to wash and dry their own plates, bowls and cups and leave the room 5 minutes before the 2nd bell which is the bell into class. Any late student is given a piece of toast to eat on the way to class.

A big thank you goes to Chris for her dedication to the programme, and to Lee for arriving each morning at 8.00am to help. I am thankful to Yvonne, our grandma, who often pops in to help and mums, Bec and Krystel who help Chris on Fridays which is the day I’m not at school.

By Margaret Pope, School Counsellor and Student Voice Coordinator

---

### Applying for a Tax File Number

The ATO, with the co-operation of schools, offers students aged 13 years or over the opportunity to apply for a tax file number (TFN) through school. This is a voluntary program and makes it easier for students to obtain a TFN because they don’t need to show identifying documentation to the school or ATO. Students need a TFN for employment, applying for Centrelink benefits, opening a bank account or deferring university fees.

Application forms are available from Mrs Westbrook in the Yr 12 room and can be completed at home. The form requires information such as the student’s name, address, date of birth and birth certificate or passport number. All information provided will remain confidential. We will certify the information by cross-checking it against the information held on our records.

Students will receive their TFN via a letter sent to their postal address within 28 days of the application being received by the ATO.
The following proposals will be discussed at the meeting held DATE: Monday 4th April, 2011

Proposal One: Casual Day for Term 1
Proposal: An R-12 Casual Day on the last day of the school term, a free choice theme.
Requirements from home: Casual Clothes
Cost: A gold coin donation
Date: Friday 15th April, 2011
Proposer: Cassie Norman

Proposal Two: Year 3/4 Camp
Proposal: Year 3/4 SP & DJ/MS classes hold a two night/three day camp at Warrawong Sanctuary.
Requirements from home: Details to follow
Cost: Details to follow
Date: Proposed dates: 12th – 14th September, 2011.
Further details to follow: Week 2, Term 2.
Proposers: Dianna Jarman, Sonia Perkins & Mark Sawyer.

Proposal Three: Defence Force Visit
Proposal: Defence Force visit—all Year 10’s, lesson 1 (part of PLP Career Awareness) Optional Year 11 & 12’s who wish to attend register with Vince Ivens prior to the day.
Requirements from home: None
Cost: None
Date: Thursday 7th April, 2011
Proposer: Vince Ivens

Proposal Four: TriSkills Program Years R to 9
Proposal: Triskills Program involving Gymnastics & Trampolining to be run for students from Years R to 9 (as part of Youth Opportunities program for Year 5 to 9)
Requirements from home: None
Cost: None
Date: Monday 14th to Friday 18th November, 2011
Proposer: Di Daulby

The following proposals were approved at the meeting held DATE: Monday 21st March, 2011

1. Proposal One: Student Voice Leadership Training
The Student Voice Leadership training days be held at Wallaroo Sailing Club, Port Hughes & at the school. Wednesday 30th March & Thursday 31st March 2011.

Proposal Two: Steam Island Performance
Fiona Ryan, Kris Strauss-Scott, Frank Camporeale, Chelsea Honner, Richard Hall, Sally Hackett, Margie Hancock classes attend the Steam Island Performance on Wednesday 6th April 2011

After moving into round two of the competition with a convincing win over Balaklava at home we travelled to Nuriootpa to play Renmark. Though injury affected, the team, it carried confidence from their round one win and believed we could still compete well. The injuries and absences allowed Zac Butler and Jake Cunningham to get called into the team at late notice. The weather on the day was easily the worst weather I have ever seen cricket played in, if both teams hadn’t travelled such a long distance the game would have more than likely been abandoned. Both teams agreed to play a reduced over game rather than employing other strategies to gain a result but the consistent rain and strong wind made playing (and umpiring) very difficult. Moonta batted first and got off to a start that was almost as bad as the weather, wickets fell quickly, a number of them through run outs. The batsmen never really recovered and we battled to a score of 45. Some optimism remained that we still may defend the total in the poor conditions but Renmark’s batsmen adapted to the conditions well and enjoyed slight improvements in the weather with some short periods without rain to eventually win the game. Overall I was pleased with the efforts of the team to compete in such trying conditions.
Ashley Dearlove
Middle School Electives

Ask any primary student what their favourite time of the week is and chances are it won’t be literacy or numeracy! Chances are it will be their beloved Friday Fun Time: a reward for, and little break from, the heavy weekly workload.

To keep the joy flowing we have the Middle School Electives Program as our “grown-up” version of Friday Fun Time. For two single lessons every week our students get to choose from, and participate in, a range of safe, hands-on, recreational activities. They sign-up for five week blocks that allow them to improve their skills, get together with fellow-minded recreation-ites, mix up friendship groups and, just occasionally, see their teachers in a whole new light also!

This term’s second round of options are: art, netball, softball and not-so-extreme make-overs.

R-6 Training Day

First we had a treasure hunt activity to get to know names.
Second we had a cooperation game where we all worked as a team.
Third we brainstormed in 2 groups “What is a team?”
After we brainstormed the ideas the Junior School Captains read the group results.
Fourth we did another cooperation game.
For this game you had to group up in a team of four and only 3 body parts were allowed to touch the ground.
After lunch we all made 1 large group and made a spider web with string. Then in 2 groups we brainstormed “What is a good meeting?”
In 2 groups we played a game where you had a ball and the team hit the ball up like hot potato.
Then home time.
Mrs Pope and Rob Martin worked with us during these activities.
By Mark Francis

Clean Up Australia Day

We had a very successful clean up day thanks to the efforts of all the students and staff. In one lesson we managed to fill up the council truck with about 30 large bags of rubbish collected around the school and the town. Thanks to the DCCC for their support in providing the truck.

Working together with our little buddies to collect lots of rubbish.

These students were great helpers. Thank you to everyone that helped clean up our town.
What a fantastic day. It was great to see so many children in their team colours and attempting the events with such enthusiasm. Thank you to all the families who came to see the children have fun and participate in the numerous events on offer. A special thank you to Matt and the staff at Wallaroo Foodland for the donation of delicious ice blocks at the end of the day. They were appreciated by all.

I liked doing the three legged race with my Mum. Keely
I liked doing the high jump. Hayden
The sprints were the best because we could run on the oval in front of the school. Matt
I liked jumping into the sand.
High jump is good because you can do back flips. Cooper
The obstacle course was liked by all. Angelina
I like the hurdles the best and I didn’t knock any down. Casey
I liked throwing the vortex at Miss Hier.
COME AND JOIN US WITH FUN GAMES AND ACTIVITIES AFTER SCHOOL.

Fun at OSHC

How many triangles?
On Friday week 8, our Year 10 and 11 students were fortunate enough to hear a presentation given by an ex-young entrepreneur of the year, Sanja Milivojevic. Sponsored by the Commonwealth Bank Foundation, Sanja’s talk was based around the need for financial management and the importance of a hard work ethic to gain success. This could have been a dry topic, but the energy and humour put into this presentation had every student captivated and entertained at the same time.

Sanja’s secrets of success included the concept that in most cases, any debt was something to avoid (unless it made you money) and that researching appropriate phone plans for you, can have long reaching repercussions.

**Careers Corner**

**BEC BUTLER – MODELLING**

In 30 years of careers counselling I have never had a student pursue modelling as a career so you may be interested in Bec’s story. Bec came to see me in 2010 asking what the options were for modelling training. I asked Sonya Rankine the Aboriginal Community Education Officer if she could make some enquiries and from the options available we sent Bec off to a 12 week introduction to modelling course with the Tanya Powell Modelling Academy.

Bec went down every Saturday afternoon from September through February learning about facials, hair and make-up, deportment and etiquette. She also experienced a photo shoot.

Bec received a letter recently from Tanya and the staff telling her that the encouraging report about her presentation at the graduation ceremony had led to her being invited to join the advanced course, entry into which is by invitation only.

In the Advanced course Bec will learn about catwalk, photographic and promotional modelling with lectures from leading people within the modelling industry and a full day photographic session with Oz whose work has appeared in Vogue and other leading magazines.

Tanya wrote in her letter that she hopes after this course Bec will register as a working Tanya Powell model. This is very exciting news and we all wish Bec the very best in her continued journey in the world of modelling.

Vince Ivens

**Competition Reminder**

National School Competitions are held in the middle of the year, but nominations are due soon. These competitions are administered Australia wide and give children the opportunity to challenge themselves and their knowledge and understanding in various areas. To enter any of these competitions, please complete the relevant portion entry form from Issue 4 and return to school with the entry fee by **Friday 1st April** (Week 9).
Whilst focusing on bushfires students looked at the three requirements for a fire to occur (oxygen, fuel and heat), they explored the leading causes of bushfires, and finished off by making some very descriptive poems surrounding this theme. Students are now working vigorously on partner research projects which are enabling them to look more deeply into a natural disaster which is of interest to them. Well done to the students for their efforts thus far and we look forward to seeing the end product of their research.

Congratulations to the following students for completing their Premiers Reading Challenge sheets.
Well done to Brock Elsworthy for completing Beyond the Challenge.
We are close to having nearly 50 completing the Challenge in around four weeks which makes us well on track to beat last year’s record!
Remember there is a special prize with Mr. Angus for the first class to finish. Mr. Camporeale’s class seems to be getting their sheets in at a rapid rate. This week’s $10 voucher goes to Jordan Nicholas.
We have 15 giveaway vouchers for the movie “Diary of a Wimpy Kid 2 – Roderick Rules” based on the novels by well renowned author Jeff Kinney.
Anyone who has handed up their completed Premiers Reading Challenge sheets will be eligible for these family passes of 4, held at the Capri Cinema Goodwood this Sunday 3rd April.

Preschool entry information

Work is continuing on developing revised policies around single entry to preschool in 2013 and to school in 2014. Children who are due to start preschool in 2012 are still able to start preschool the term after they turn four. New arrangements will be in place for children starting preschool in 2013. Children who turn four before 1st May 2013 can start preschool at the beginning of Term 1 in 2014. Children who turn four on or after 1st May 2013 will start preschool at the beginning of Term 1 in 2014. The minimum starting age for children enrolling in government preschools will be three years and eight months. Children who are due to start school in 2013 can start school the term after they turn five. New arrangements are in place for children starting school in 2014. Children who turn five before 1st May 2014 can start school at the beginning of Term 1 in 2014. Children who turn five on or after 1st May 2014 will start school at the beginning of Term 1 in 2015.
On Tuesday, Moonta Area School hosted the annual Yorke Peninsula Secondary Schools Athletics Carnival in ideal conditions. The day began at 10.00 am with a programme of track and field events, concluding with age group relays and the wheel and ball team game. Prizes were awarded for the Team Event pennant; U14, U15 and Open Age pennants; and the Yorke Peninsula Country Times Shield, awarded to the highest scoring team as per a handicap system.

Although our team was hit by injuries and illness, the students competed well and continued to display the positive and competitive spirit that they have shown in previous Interschool carnivals.

It was an excellent day with committed participation, and the sportsmanship and atmosphere amongst all competitors was of a high standard.

Thanks to Al Gordon for some excellent photography.

Pennant Results
Team Games Pennant: Moonta finished in 2nd position with 52 points, behind Yorketown Area School on 56 points.
U14 Pennant: Yorketown 1st on 188 points, with Moonta ending in 5th position on 165 points.
U15 Pennant: Moonta finished last on 120 points, with Yorketown as winners on 209 points.
Open Pennant: Moonta finished in 2nd place on 195 points behind the winner Minlaton on 196 points.

The YPCT Shield was awarded to Yorketown on 585.0 points, followed by Minlaton, Kadina, Ardrossan, Port Broughton/Snowtown and 6th place to Moonta with 479.5 points.

Record Setters
Congratulations going to the following students for record breaking efforts:
U14 Girls   Shot Put   Chelsea Fisher   9.63m
U14 Boys   Shot Put   Sam Gummow 12.45m

From these results, students will be selected to compete at the athletics championships at Mile End on Monday 11th April, with best wishes for their continued success.

Many thanks to all those people who helped out on the day with events, catering and support to all competitors.
GOLF
SAPSASA / Ardrossan Encouragement Cup. This is for all students in primary school who wish to come and play golf. To be held during the school holidays on Friday April 29th at the Ardrossan golf club. Names in on day at 9.30am for a 10 am start. $2 playing fee. 9 holes to be played. Top 8 selected for SAPSASA try-outs. BYO lunch or orders will be taken and collected from bakery. Coaching will be given to beginners and some loan golf clubs will be available. Please ring Nathan Marks evenings on 88537362 if clubs are needed.

Incredible Years Program
PARENTS:
- Do you want strategies to promote your child’s social, emotional and academic competence?
- Are you looking for guidelines to help prevent behaviour problems from occurring?
Child & Youth Health and CAMHS (Child Adolescent Mental health Service) will be offering “The Incredible Years” program for interested parents. The program will run from 2nd May 2011 to 4th July 2011, every Monday from 10am to 12 noon, in Minlaton. To register for this highly sought after program, please contact Pam 88533571 or Kim 88533505 during office hours.

School Holiday Program – KIDS’ CLUB
Moonta Uniting Church, Thursday 21st & 28th April, 2011. 10am to 12 noon. Meet in the Church Hall. Cost: $2.00 per child.
Playing games, singing songs, Devotional time, crafts but most important making new friends while learning about the Bible. Drinks and snacks supplied. Kids Club is open to ALL school age children. For further information please contact; Carole Perkins on: 88 252674.
HOPE TO SEE YOU ALL THERE

LEARN ABOUT YOURSELF!
As Marcel Proust, a late 19th century novelist, wrote: “the real voyage of discovery consists not in seeking new landscapes but in having new eyes”. Host an international high school student in July through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique opportunity helps your family to become closer, to understand themselves better and to see the world in a new light.
Carefully selected students will arrive in July for one or two semesters from France, Italy, Germany and Scandinavia. They will attend a local secondary school, are fully insured and have their own spending money. Call S.C.C.E now on 1800 500 501, email scceaustr@scce.com.au or visit our website (www.scce.com.au) to be part of this rewarding experience.
VACATION CARE TERM 1: 2011

We are very excited about being able to offer a vacation care program, comprising of 7 days jam-packed with exciting and fun activities. Our service will be offering quality care for children of preschool to primary school age for our community, (in accordance with regulation ratios). We will be offering this service to you on the following dates, during the hours of 8.30am – 6.00pm:

- Monday 18th April – Thursday 21st April
- Wednesday 27th April – Friday 29th April

For all bookings or inquiries please phone 0428280425.
Thank you
Heather Mullins DIRECTOR OSHC
