Welcome back
Welcome to all students and staff for this term. We particularly welcome Mr Aleksander Miernik who will be working in our Middle school. He is replacing the teaching role of Mr Daniel Richardson who is enjoying some well deserved long service leave. Ms Margie Hancock is replacing his leadership role as coordinator of the Middle School. We also welcome back Mrs Dianna Jarman who has returned to take over our newly formed reception class.

A big welcome to our 19 new reception students who are Addison Crocker, Aiden Hollands, Blake Nankivell, Bridget Perkins, Ebony Phillips, Frankie Talbot, Fraser Elsworth, Indie Sherriff, Isaac Johns, Jayden Rhodes, Kayleb Chambers, Lana Elsworthy, Liam Visconti, Olivia Jones, Scarlett Hatcher, Shyla Yard, Stella Amundsen, Tammin Hughes, and Thomas Kerridge. We hope they enjoy their learning at Moonta Area School.

Road Safety
It has come to our notice that a number of motorists are driving dangerously near the school especially at dismissal time. This includes speeding and parking inappropriately. Our Governing Council is particularly concerned about student safety. Local police have been asked to patrol at that time of the day. Whilst we do not want any of our school community to be 'pinged', safety of our students is paramount. Whilst we also
From the Principal’s Desk

acknowledge some students may not always be safe pedestrians, it behoves all motorists to be extra vigilant around our school. We remind students constantly of their responsibilities as pedestrians or cyclists again in the interest of their safety. We thank you for your cooperation in this matter.

NAPLAN
NAPLAN reports were sent home late last terms for students in Years 3, 5, 7, and 9. Your child’s report shows his or her results in comparison with the results of all other students in Australia who sat the tests, more than a million students in total.
The report shows:
- the national average
- the range for the middle 60 per cent of students
- whether your child has achieved the national minimum standards.
An important feature of the assessments is that your child’s achievement is now reported against a common national assessment scale that continues from Year 3 right through to Year 9. This means that as your child advances through school and sits these assessments every second year, you will be able to see your child’s progress in literacy and numeracy.
This report is just one element of the information that your child’s school has on his or her learning and achievement in literacy and numeracy. Your child’s teacher will be able to provide you with more information on your child's progress in literacy and numeracy. Should you have any concerns or wish to discuss these results, please, in the first instance contact your child’s class teacher (Year 3, 5, 7) or Margie Hancock for students in Year 9.
MAS staff will be spending considerable time in Week 3 diagnostically analyzing NAPLAN data, assessment data, teachers opinion, anecdotal data and monitoring progress, with the aim of identifying next steps to improve students’ learning.
Analysis of NAPLAN data will occur at 5 levels:
Big Picture – School summary,
aspects and year level analysis
analysis of growth
check against performance targets
Class/Question analysis
analysis of question items/curriculum links
Individual learner analysis
concentrating on all students at or below national minimum standards

Class Placements for 2013
Don’t forget to let us know, in writing, if your child will not be attending Moonta Area School next year. If you have family or friends moving to the district who definitely want to enrol their children here, please let us know so they can be considered in the class placements.
We’d like as much information about 2013 numbers as possible so we can structure the classes according to student needs.
Please provide any information that you would like considered in relation to your child ren’s placement. It needs to be a genuine request relating to your child ren’s academic, social, physical or emotional needs.
Sometimes there are instances where it is not possible to meet these requests for a whole host of reasons. Please put your request in writing, or alternatively, make a time soon to see either Bruce, or Robyn to discuss your child’s needs. Thank you.

Congratulations
Nicole Collaton has competed in Brisbane in September at the Australian Sports Aerobics Championships as part of the State Team. Nicole and her partner, Courtney Larwood from Kadina have won gold in their Level 1 Junior Pair. Nicole also competed in the Individual Level 1. She has been training at Kadina as part of the High Impact club all year and competed in 3 competitions held in Adelaide and Kadina achieving outstanding results to qualify for the State Team.
The Wellbeing Committee conducted our second annual Wellbeing Week in week 10 of term 3. Once again it was a very successful week focusing on the physical and mental wellbeing of our students.

Activities for year 5-9 students were funded from a $6000 grant from Youth Development funds.

A range of activities and guest speakers covered topics including:
- Responsible use of drugs and alcohol
- Healthy lifestyles
- Cyber safety
- Mental Health and Mental Illness
- Road Safety
- Teenagers and the Law

Presenters included:
- SAPOL - Jeanine Hansen, Kadina based schools project officer who presented on road safety and teenagers and alcohol.
- OPAL – Georgina and Daina who organised a pedometer challenge and highly successful ‘Wheelies Day’
- ANTHONY CLARKE- blind Para Olympian whose messages were about resilience and positive thinking.
- BRETT LEE – former detective who presented information and talked about his experiences in cybercrime and cyber bullying.
- RED CROSS save-a-mate team who ran courses on drugs and alcohol and mental health for year 8 and 9 students.

Teaching staff also ran a variety of activities throughout the week based around wellbeing themes.

Moonta Area School Uniforms Order form Reminder

We are taking orders for school dresses and sports day tops ready for 2013. To place an order please obtain a form to fill out from the front office and return with full payment by the 19th October 2012 – no orders will be taken after this date. Please allow up to eight weeks for items to arrive as they are made to order.

Road Crossing Monitors - Term 4
Week 2
Calen Buchanan-Sully, Sam Barrett, Luke Chapman
Week 3
Joel Campbell, Adam Scott, Drae Hopkins
On Monday 17th September, Aisha and I travelled to Adelaide to attend a formal reception at Government House to meet Governor Rear Admiral Kevin Scarce and his wife Mrs Liz Scarce.

On arriving invited guests had to wait outside Government House and on arrival of the security guards guests were then let in on presentation of their personal invitation card. It certainly highlighted how important security is around Government House.

Once everyone was seated, Governor Kevin Scarce was introduced and he spoke for approximately 15 minutes on leadership, trying new things and taking every opportunity which is given to you. Kevin also spoke about the importance of representing your school and peers and about looking forward to 2013 and the next challenges that lay ahead.

After the speech, guests were shown around Government House and then given time to mix with other students and wander around Government House. Aisha and I took lots of photos and we had the opportunity to personally meet Governor Kevin Scarce and his wife Liz and have a photo with Governor Scarce.

Aisha and I enjoyed the visit to Government House and felt it was a valuable experience and an opportunity to meet other school representatives and to gain an insight into Parliament and leadership.

Blake Pedler and Aisha Cooper

REMINDERS TO ALL STUDENTS AND PARENTS

1. We are now moving into Fire Danger season. As our school is rated an R2 school in terms of Bushfire danger we are required to be ready in case of fire. We have a Bushfire Action Plan which tells us to evacuate to the Gym in case of a bushfire. On days of catastrophic fire danger our school will need to close. The complete Bushfire Action Plan is available on the school website. If you have any questions please contact me at the school.

2. A big reminder to all students and parents about using the school crossing correctly. We EXPECT students and caregivers to use the school crossing at all times and NOT to cross the road wherever you feel like. With the harvesting season not too far away we will soon have large trucks and B-Doubles passing our school all day. They need to know that our school community people use the provided crossing so all can be safe. At present there are many parents/caregivers/students doing the wrong thing.

3. Please DO NOT use the library and staff car parks as drop off/pick up zones for your children. There is still a core group of parents doing this who continue to ignore our requests. I am very concerned about the safety of this area in the mornings and afternoons with people ignoring our requests. We really do need parents/caregivers modelling good behaviour. Thanks in advance for your co-operation.

4. Term 4 means we all wear hats! Students please remember to have your hats each day as you need them to be able to play at recess and lunch breaks

Bruce Schmidt
On Friday the 14th September the MAS Choir performed at Adelaide’s Festival Theatre in the ‘Festival of Music’ to a packed theatre including a tremendously supportive group of Moonta family and friends who helped make some noise!

The day began at 7am with parents and choir members meeting the bus at school to leave for Adelaide for the last dress rehearsal before the big performance. We were all very excited even though it was very early! The final 3-hour rehearsal went very well with all of the final touches all coming together to go with the choir including the orchestra, troupe of actors/dancers and comperes.

Afterwards we ate our lunch on the way to our celebrations for all of our hard work. First stop was bowling at Woodville AMF, it was great to let off some steam and have a bowl! We then quickly made our way to Norwood Cinemas to see Madagascar 3 along with popcorn and enjoyed the movie and relax time! We then tucked into some McDonalds before heading back to the Theatre for the ‘big gig’.

The final performance from the perspective of a new and proud music teacher was nothing short of inspiring. To see our choir singing and performing so well was amazing and they should all be very proud of their efforts and hard work. The commissioned work with songs written by ‘Red Gums’ John Schumman inspired by the Phil Cumminnas book, “Danny Allen was here” – a story about Phil’s life growing up near Pt Broughton, was done so well and had some truly beautiful moments.

All in all MAS should be proud of our choir and they themselves, after all, as Frank Camporeale mentioned not even he and I can say we have performed at the Festival Theatre!

The weekend of 13th – 15th September, provided the Year 12 students with an opportunity to cater for a large group over two days. 150 cyclists from Bike SA camped on the school grounds and spent the weekend doing loops and sightseeing around the Copper Coast Area.

The Hospitality Department of the school was given the opportunity to cater for the cyclists over the weekend, providing a 3 course meal each night in the gym. This also was an opportunity for the Year 12 Hospitality students to be involved so they could meet the requirements of their course.

A BIG thank you must go to the volunteers who helped to ensure everyone was fed on the weekend, with special thanks to Jenni Harvie, Raelene and Colin Stutley, Karen and Dave Hollands, Sharron and Phil Ward and Heather and Travis Skipworth for their support and hard work.

Canteen Menu
Term 4, 2012

The canteen menu aims to provide healthy and nutritious food and drinks consistent with the “DECD Right Bite” healthy eating guide for schools and pre-schools and the Australian dietary Guidelines for children and adolescents.

Where possible the canteen uses reduced fat and salt ingredients such as reduced fat cheeses and ice-creams and low fat products.

**Healthy everyday food choices**

Food labelled with a ❤

Fit in or are close to the green section of the right bite food and drink spectrum

Choose plenty of ❤

Select carefully food choices

Items without ❤ symbol are still nutritious and lower in saturated fat, but contain slightly more salt, sugar (natural or added), or less fibre then the recommended and so fit into the AMBER section of the right bite food and drink spectrum.... Items without a ❤ label= select CAREFULLY!!!!
