SCHOOL VALUES
As a newcomer to Moonta Area School, I have watched with interest how staff, students and the wider community enact our values of Learning, Caring and Sharing and have been impressed by the way that these ideals underpin all that happens here.

Learning is obviously our main focus and involves gaining new or adapting knowledge, behaviours, skills, and abilities. A love of learning is a life-long skill that improves quality of life. At MAS this is seen in staff and students alike.

While this learning is happening, I also see caring behaviour where people are showing compassion and concern for others. I see teachers modifying teaching and learning programmes to meet the needs of individuals and groups, I see students running for help when a friend needs it, I see parents and friends volunteering their time to support learning and much, much more.

Sharing, though, is a little more complex here at Moonta. I see all the normal behaviours where if someone forgets their recess, friends share theirs and pencils
erasers and sports equipment is shared; however, even more impressive than this is people’s willingness to share ideas. This breeds a fabulous culture of optimism and a belief that together we can achieve great things.

**Moonta Area School’s Guiding Principles**

In addition to our values of Learning, Caring and Sharing we also have a set of guiding principles to promote a safe, orderly and productive learning environment.

Our Guiding principles are based on five key beliefs:

- **We all have a right to learn,**
- **We all belong to the teams**
- **We are all part of the community**
- **Trust, resilience and honesty make us strong**
- **We all have the right to be safe**

Over the next 3 weeks our Site Improvement Plan will be finalised and will focus on two priorities – Quality Teaching and Learning, and Literacy. Within our plan you will find a link to both our values and Guiding principles. I look forward to sharing this document with you all in the near future.

**Kernewek – Cornish Festival**

Students in Years 3 -6 were recently given information about learning the maypole dance to perform at the Kernewek festival on Friday 24th May and Saturday 25th May this year. If your child has brought home an information sheet and is interested in doing the Maypole dance, please return the consent by this Friday. Rachel Prout and Robyn Dalziel will be training the students lesson 5 & 6 on Tuesdays.
Student Voice Executive
The first few weeks of school have been extremely busy with panels making decisions about who will be members of the 2013 Student Voice Executive, Senior School Captains and Vice Captains and Junior School Captains. The Student Voice Executive had to write an application stating their reasons for wanting to be on this committee. These applications were carefully read by our selection panel consisting of Sasha Glasgow (Student Rep), Angus Ellard (SVE Member 2012) and Bob White (Junior School Captain 2012), Mr Travis Skipworth (Governing Council Chairperson) Natalie Chapman (Parent Representative) and Jane McCauley (Student Voice Co-ordinator). After much round table discussion the final students were chosen.

School Captains 2013
The selection process for Senior School Captain, Senior Vice Captain and Junior School Captain was an interview by the student to a panel. The panel consisted of Mr Travis Skipworth (Governing Council Chairperson), Mrs Jane McCauley (Student Voice Coordinator) Mrs Natalie Chapman (Parent Representative), and student representatives: Natasha Hubbard, Sam Crocker and Kara Hackett. These students had already won a position on the Student Voice Executive Council. The panel listened to each candidate’s presentation and asked questions to help decide how well the applicants matched the judging criteria. It was the answers to these questions that influenced the final choice.

Our congratulations to Cody Scott and Sarah Moss as Senior School Captains, Dylan Aldridge and Kayla Masters as Senior Vice Captains and Harley Simms and Zoe Linke as Junior School Captains.

We would like to thank all students who nominated and encourage those who were not successful to try again next year. It was great to see such interest by the students who wanted to be involved in the important role of student decision making. The School Captains, Vice Captains and Student Voice Executive were presented to the School Community at the Induction Assembly on Wednesday 27th February.

Our guest speaker, Michael Carson spoke to all students about his time at Moonta Area School and highlighting that year 12 was the greatest year of his life. Michael enforced that it is hard work and persistence that will take you down a path of success every time. "You don’t have to be smart, you don’t have to be athletic and you do not have to be a social figure to make change. None of these things help you achieve. The only thing that will change your life is hard work and perseverance and these two things will show in whatever you do."

R-6 Action Group
For Semester 1, two students from each Reception to Year 6 class, represent their class at fortnightly meetings. They bring information and issues from their class meetings to the R-6 Action Group, fortnightly meetings and likewise report to their class after each meeting. The R-6 Action Group is part of the school’s process to encourage students to take on responsible decision making. The process of selecting these students varied from class to class. The representatives from the classes were presented to the School Community at the Induction Assembly on the 27th February.
Practices have continued with students showing positive involvement and enthusiasm.

At this stage, we are still seeking assistance on the day for marshalling events. If you are able to help, please contact the school ASAP. On the day if you are at an event, but not included on the roster and the event requires assistance, your support would be greatly appreciated.

As part of OHW&S requirements, all students will need to sign in at the start of Sports Day and sign out if they choose to leave the venue before the conclusion of the presentations. Consequently, lists have been prepared and all Year 3-12 students can sign in at a desk near to the announcer’s tent.

Students need to wear shoes to compete in all events. All students need to wear hats when not competing. The most effective drink on the day, is water.

If your child will not be participating on Sports Day, please confirm this in writing to your child’s teacher prior to the day.

This Thursday and Friday, the pre-sports day javelin event will be held, and next Monday and Tuesday, various long runs for all students will occur.

Events for Years 3-12 commence at 12:30 p.m. sharp. Students are expected to arrive at 12:15 p.m., sign in and then gather in their house areas.

To be sent home early Week 6 are copies of the JP and Year 3-12 programmes.

Thanking you for your support, Sport & Rec Committee.

A total of 261 students from Moonta Area School completed the Premier’s Reading Challenge in 2012. We are aiming for 300 students in 2013. Can we do it?

**What is it?**
The Premier’s Reading Challenge is a literacy engagement program that has been operating since 2004. Its major aim is to:
- Encourage students to read more books and enjoy reading
- Improve literacy levels.

The Challenge requires students from Years R to 12 to read 12 books before 6th September. They then record the titles and authors of the books they have read on their Premier’s Reading Challenge Student Reading Record sheet.

Teachers, teacher librarians or parents/carers are required to sign each entry to show that students have read (or shared in the reading of) a book at their reading level and that the book title and author are accurate.
- If students are in Reception - Year 7, they are required to choose at least 8 of the 12 books from the Premier’s Reading Challenge booklist for their year level. They can read 4 books of their own choice which should be of a similar standard to books on the list at their reading level.
- If students are in Year 8 or Year 9, they are required to choose at least 4 of the 12 books from the Year 6-9 Premier’s Reading Challenge booklist and the remaining 8 can be their own choice at a similar standard at their reading level.
- If students are in Year 10, 11 or 12 they are able to choose 12 books of their own choice at their reading level.

**What can parents do?**
Parents are encouraged to take a keen interest in what their child is reading. Getting your child to read to you or reading to your child motivates them to continue and strengthens their literacy skills. Further information on how you can help your child will be available in the Library or go to [www.prc.sa.edu.au](http://www.prc.sa.edu.au) - the Premiers Reading Challenge website.

Benefits for those participating include:
- Giving students a focus for their reading
- Encouraging students to read more books and enjoy reading more
- Encouraging boys to participate by being ‘challenged’
- Offering incentives for reluctant readers
- Building self-esteem and pride, school unity, and a sense of achievement
- Increasing the involvement of parents in their child's reading
- Increasing library borrowing
- Contributing to increased literacy levels.

**Incentives**
Medals or Certificates are presented to all students who complete the Challenge.

Library staff offer a few other incentives to encourage students along the way. **Individual:** As the challenge is completed, students’ receive a bookmark and their names are placed in a lucky draw for a $10 voucher to purchase a book or magazine from the Moonta Newsagency. Students who successfully complete the challenge will have their names included fortnightly in MAS Media and photos on display in the Library. **Class:** The first class R-2, 3-6 and MS (English classes) to finish the Challenge can have a special lesson with Ms Amos. **Whole School:** We are also looking at getting one of the PRC ambassadors here for a visit, either to encourage participation or to present the awards in November. **Movie Day:** When we reach a target of 300 or more, those students who have completed the Challenge will attend a movie session at school. So take up the Challenge, have fun reading and let’s reach this year’s target of 300!

**Volunteer support**
We would like to support students to complete Premier’s Reading Challenge. If you have time to spare and would like to spend it reading with or listening to students read, please contact Di or Tricia in the Library. Your help with this would be appreciated.
SAPSASA News

**Week 5, Term 1**

- **SAPSASA Softball** - Congratulations to Kira Gibbons, Tiffany Clarke, Nickala Smith, Sean Paget, Isaac McCracken, Samuel Wiltshire on making the SAPSASA Softball team. They will be travelling to Adelaide in Week 7 to compete. Big thanks to Tracy Cutting for helping to get the students up to trials.

- **SAPSASA Lawn Bowls** – Students have shown an interest in competing in the SAPSASA Lawn Bowls. They will be training with Brian Gum at the bowling green starting in Week 6. Students who have already passed along their names to me, will receive a note explaining details. Big thanks to Brian for his dedication to improving new bowlers.

Literacy development is currently a main focus on our Site Improvement Plan. Funding has been allocated to support the development of Literacy throughout the school, with SSOs supporting Literacy programs within classrooms as well as students being withdrawn from classes to participate in extra Literacy time with teachers. Robyn Dalziel is currently working with students from Reception to Year 2 and Di Daulby is working with students from Years 3 to 6. The focus for students during Literacy Intervention times is varied, depending on the needs of the individual students involved. Students are involved in 4 sessions per week. The groups are reviewed with class teachers approximately twice a term and students are moved in and out of the program as required. Please continue to encourage your children with their reading to support the development of their skills. 

Robyn Dalziel and Di Daulby

Each year Moonta students are invited to compete in a variety of National School Competitions. Most of these competitions are held in the middle of the year, but nominations are due soon. These competitions are administered Australia wide and give children the opportunity to challenge themselves and their knowledge and understanding in various areas. Students achieve recognition through the awarding of distinction, credit and participation certificates. To enter any of these competitions, please complete the relevant portion of the attached entry form and return it to school with the entry fee by Thursday 28th March (Week 9).

Living with and dealing with cancer can mean that you need lots of information and support from others who understand and get it. CanTeen is a national peer support organisation for young people aged between 12 and 24 years. They offer a number of different programs, camps and one-day activities throughout the year and they are all free. If you would like more information about the services CanTeen have to offer, please see Mrs Strauss-Scott, School Counsellor, or your teacher. Brochures are also available in the front office.

Youth Development presents:
Wilson McCaskill

PLAY IS THE WAY

A game isn’t “just a game.” PLAY IS THE WAY® games engage children’s emotions and call for mastery and control of those emotions to achieve success. By being challenging, the games develop self-motivation and perseverance. They help children to identify the reasons for failure and foster optimism and resilience. Guided by the teacher, participation in the games will develop the positive social behaviour that improves living & learning.

The one-day workshop is a practical hands-on session using games and activities from the PLAY IS THE WAY® program. Add to this the insights, observations and strategies from program founder, Wilson McCaskill’s book CHILDREN AREN’T MADE OF CHINA, and you have a workshop that prepares teachers to establish the program in their classroom or school.

PARENT WORKSHOP
School is obviously not the only place where children learn. Even with five hours a day, for five days a week, for four terms a year children still do most of their “learning for life” outside school. In fact, most of their character shaping comes from family influences.

What they learn within the family allows them to apply it outside the family. Hopefully, what they have learnt allows them to conform to the demands and expectations of community standards in behaviour and to the requirements of everyday school life and learning.

Schools rely heavily upon the values and abilities that family life trains into children. Therefore, the development of pro-social behaviour is a shared responsibility between schools, parents and families.

“You can discover more about a person in an hour of play than in a year of conversation.”

Have you received the Schoolkids Bonus?

Do you know about the Schoolkids Bonus? It is a new cash payment to help eligible families and students with the costs of primary and secondary school studies. Around 1.2 million families have already benefitted from the first wave of payments in January 2013 – have you?

If you receive a family or income support payment, including Family Tax Benefit Part A, you could be eligible to receive $410 a year for each primary student and $820 a year for each secondary student, with half paid in January and half paid in July.

The Schoolkids Bonus replaces the Education Tax Refund (ETR) and is a much simpler system. You no longer need to collect receipts and payments are made automatically so you don’t have to wait months to make a claim via your tax return. Unlike the ETR you can choose how you use the payment to best support your children’s education – whether it be school books, stationery, uniforms, school fees, or excursions.

Check your eligibility by visiting australia.gov.au/schoolkidsbonus and if you think you might have missed out on the January payment, contact Centrelink – either in person at a Centrelink-Medicare Office or by calling 132 468.

Makoto Ryu Karate-Do – New students welcome. Come along and get fit whilst learning self defence, discipline and respect. Uniting Church, Kadina. Starting Monday 4th March. 6:16 – 7:15 p.m. Junior beginners class, 5 years – 13), 7:30 – 8:30 pm.. all female class, 14years+. First 2 lessons free. $10 per class.
